Agency specific standards include those found under FSM 6500.

X Level I: Must complete the NWCG approved specified training in a classroom setting.

"2" Level II: Requires classroom training of specified course or a commensurate course with similar course objectives and instructional hours.
No substitution of experience is recognized. Training Officers must document the course hours, objectives and the time and place attended to the individual's training record.
(S230, S330, or S205 1996 versions are equivalent to S336)

"3" Level III: Training may be received through classroom or appropriate OJT assignments identified by a taskbook. This also includes training where the information learned in the course may be beneficial to the individual, but not necessary for qualification.
