

ICC Profile missing (no iCCP chunk) but colors match the expected colors of the sRGB profile.

ICC Profile is the sRGB profile (sRGB IEC61966-2.1).

ICC Profile is a Canon printer profile (Canon MP210/MP220 series PR1).

ICC Profile is a Canon printer profile (Canon MP210/MP220 series PR3).

The four images are the same except for the iCCP chunk, that is missing in the first case, and contains a different color profile in each of the other cases.
