

Mercedes-Benz is a brand of DaimlerChrysler

## Actros. The height of comfort.

Whichever way you look at the inside, Actros moves into a league of its own. The class-leading levels of comfort include a luxurious spring construction bed, a specially designed orthopaedic seat to provide superb support for those long hours on the road and a multi-function steering wheel. And what's

more, air conditioning is standard on all sleeper cabs. For more information about how you can travel in comfort, call 0800 665 444 or visit [www.mercedes-benz.co.uk/trucks](http://www.mercedes-benz.co.uk/trucks)

Mercedes-Benz  
Actros. Better in the long run.
