

## STRAIGHT BILL OF LADING-SHORT FORM – INTERIM for Weigh Station Travel

RECEIVED, subject to the classifications and lawfully filed tariffs in effect on the date of the issue of this Bill of Lading.

AT PASADENA, TX

FROM: Dixie Chemical Company, Inc.

The property described below, in apparent good order, except as noted (contents and condition of contents of package(s) unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route agreed, as to each carrier of all or any said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be performed in accordance with the conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classification in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this property, and that the conditions are hereby agreed to by the shipper and accepted for himself and his assigns.
