

When it's a Question of Where to Drill...

...Ask Fugro

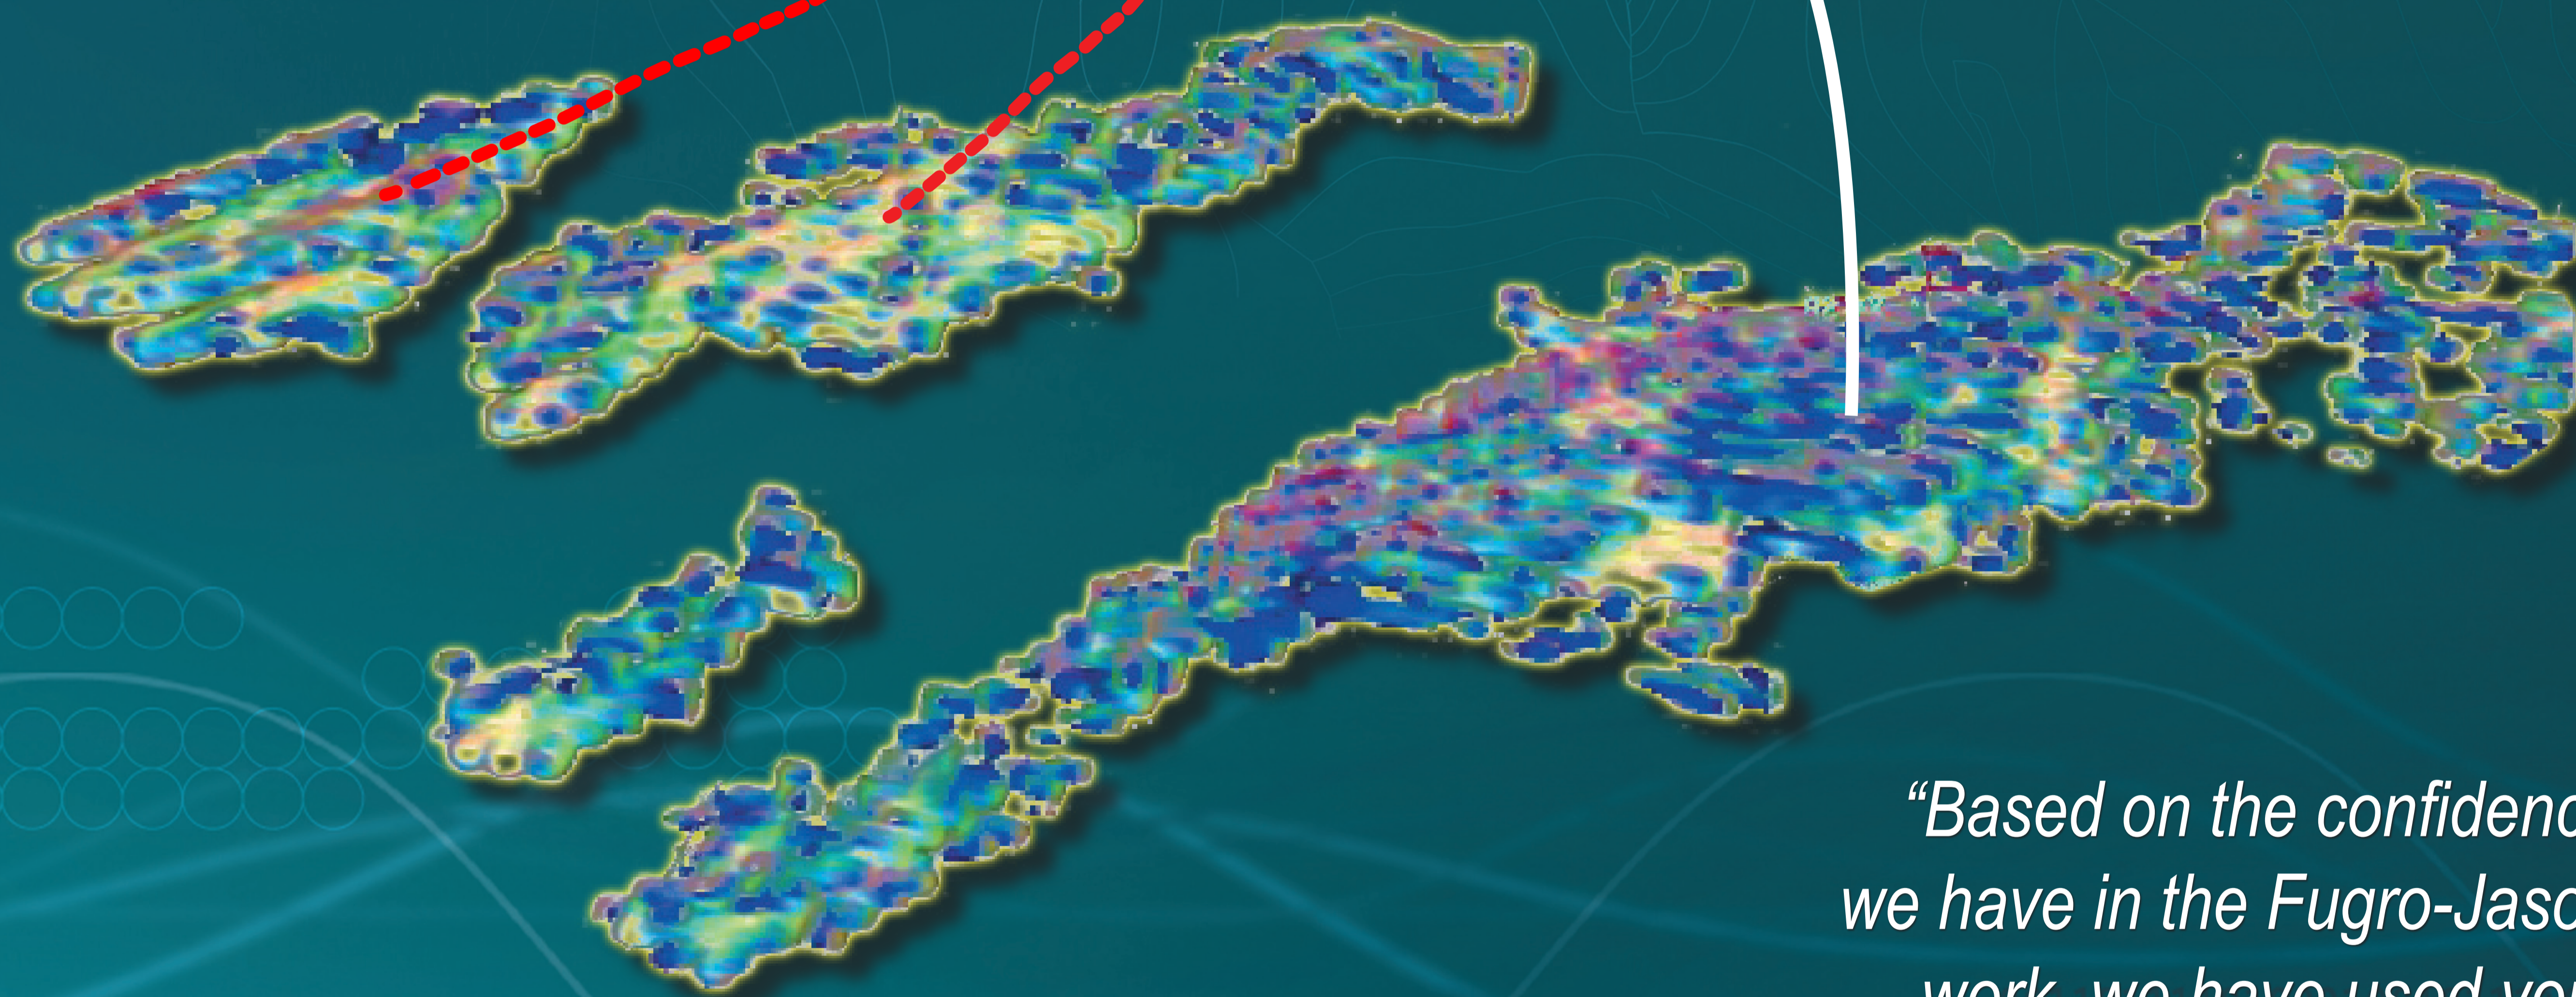

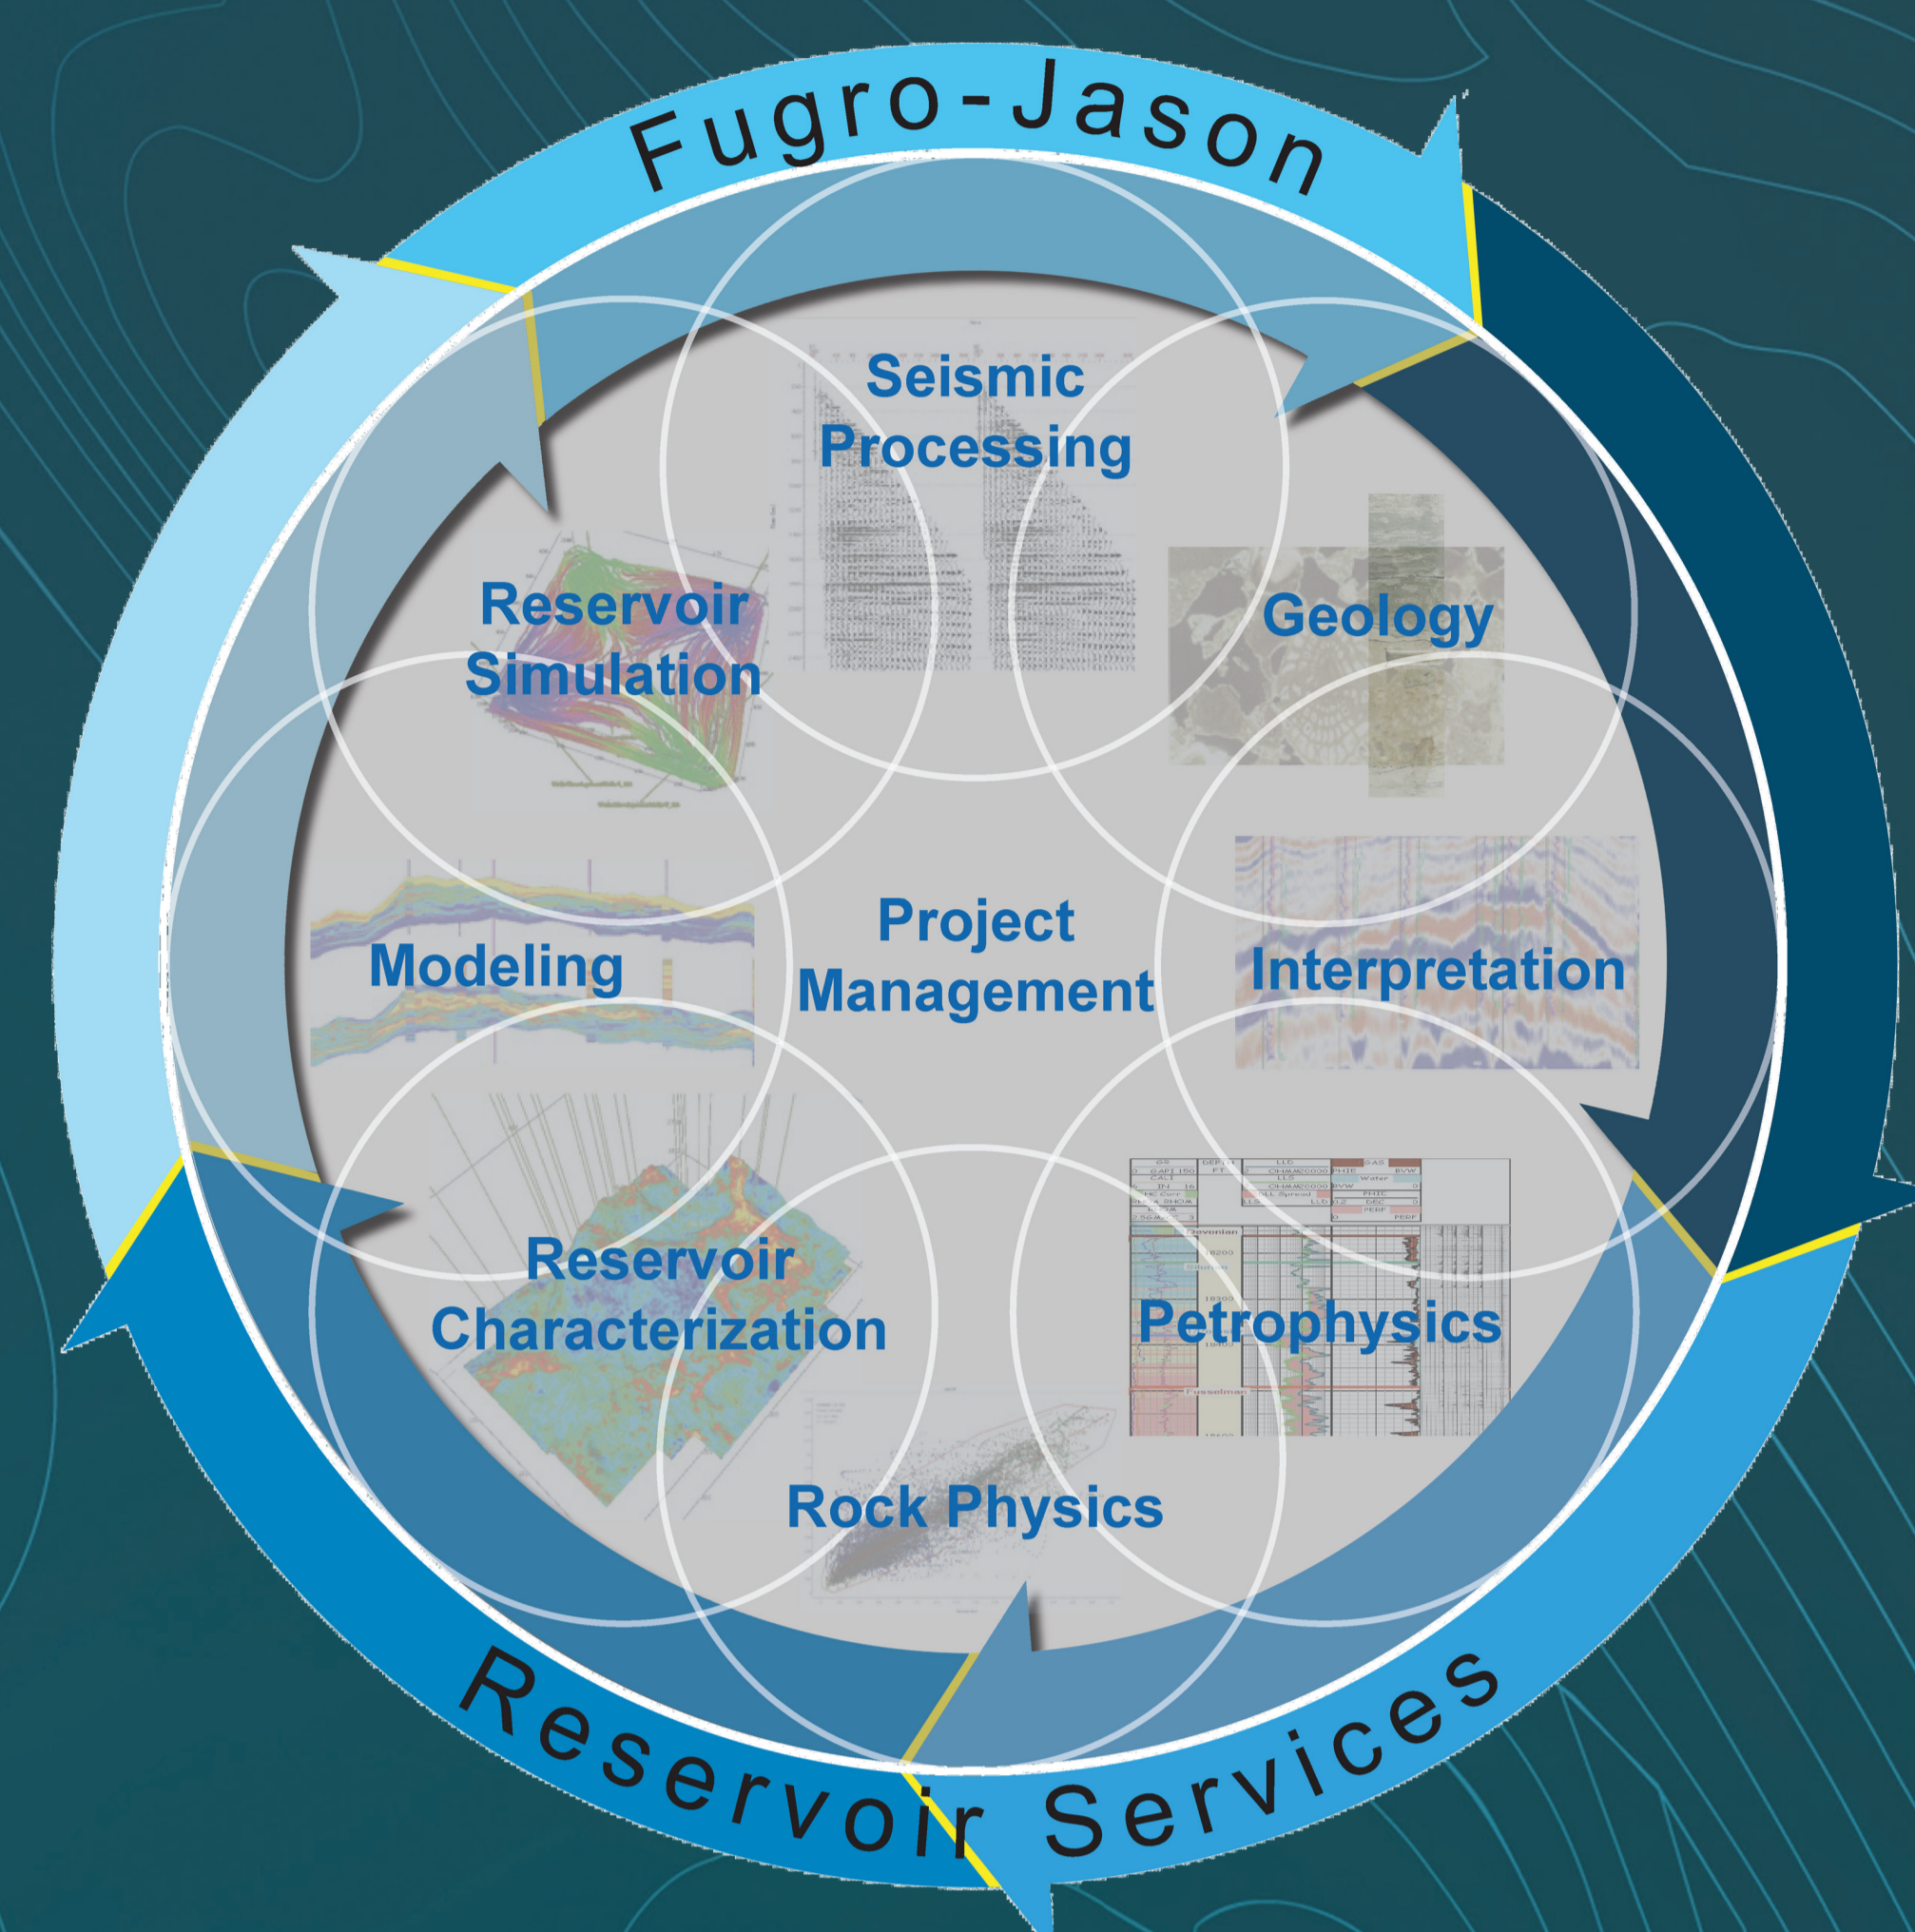

Fugro-Jason is known for World Class Results in **Reservoir Characterization**.

But we don't just give you another data set you have to interpret.

We work with you to gain a deeper understanding of your reservoir.

The result is specific drilling targets that often produce the best wells in your field... ***Ever!***

"Based on the confidence we have in the Fugro-Jason work, we have used your products to specifically target the most prolific sand packages in the prospective area."

***With Fugro-Jason,
You Can Produce More Oil & Gas
With Fewer Wells***

#1 in Reservoir Characterisation

**FUGRO
