

**THE LENOVO® THINKPAD® X1 CARBON TOUCH
THE BEST JUST GOT BETTER**

Our best ThinkPad® just got better - the ThinkPad X1 Carbon is power-packed with innovation and inspiration to do business. This ultrabook weighs less than 1.55kg. and is less than 21mm thin. The elegant notebook delivers no-compromise performance with the power of the latest 3rd generation Intel® Core™ processor. Great performance is further enhanced with Intel® Turbo Boost 2.0 and Lenovo's RapidResume and RapidConnect technology. The 14" ThinkPad® X1 touch offers the amazing HD+ anti-glare display with 10 finger touch, wide viewing angles, high resolution and high brightness. Use the ultrabook in any environment and lighting condition. Connect anywhere with built-in Lenovo Mobile Access for contract-free 3G and Mobile Hotspot to share internet connectivity with other devices. Charge the X1 touch quickly with Lenovo's RapidCharge technology—charges 80% of the battery in 35 minutes, keeping you on the move.

* Lenovo Mobile Access only available in Germany, UK, France, Denmark, Italy, Belgium, Ireland, Netherlands, and Austria

BUILT FOR PERFORMANCE

- Powered by the latest 3rd Generation Intel® Core™ ultra-volt processors and Turbo Boost 2.0
- Windows 8 Pro for better performance

- Improved keystroke noise suppression, and new face tracking HD camera for high-definition video/audio conferences
- With polycom certification offering Lenovo Mobile Access for no-contract 3G service and Mobile Hotspot to share wireless connection with other devices

BETTER USER EXPERIENCE

- New glass touchpad for easy and enjoyable navigation.
- Satellite grade carbon fiber with optional Accidental Damage Protection increases durability and provides legendary ThinkPad reliability.
- 10 finger touch.
- Lightweight design and the most cool and quiet ultrabook thermals for freedom of mobility and manageability.

SERVICE OFFERINGS

Lenovo offers a comprehensive portfolio of award-winning services to support and protect your ThinkPad investment. Succeed with substance, and let Lenovo's Service support you all the way.

- **Priority Technical Support⁶**
Makes your priority, our priority. 24x7 priority call routing to advanced-level technicians, electronic incident tracking, and escalation management services.
- **Warranty Upgrades - Onsite and Next Business Day**
Maximizes PC uptime and productivity by providing convenient, fast repair service at your place of business.
- **Warranty Extensions (1 to 5 Years Total Duration)**
This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and potentially lower the cost of ownership over time.
- **Accidental Damage Protection**
Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.
- **Keep Your Drive**
Retain your drive if it should happen to fail, giving you the peace of mind to know that your valuable data is secure.

Asset Tagging

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.
