Friendly Dot.Commer
I'm what you'd call the insider's resource to Tucson. This is not a site for the shy. I tell it like it is. You want to know about spas? I'm right there. How about restaurants? Travel? Sightseeing? Shopping? I'm your dot.commer. Look me up sometime. I'm pretty user friendly.

STUCK IN THE WRONG JOB? THINK OUTSIDE THE BOX

Recent promotions on our advertising sales staff have created openings for multi-media professionals in these areas:

- Sales Account Executive

The right candidates will:

- Radiate high energy
- Demonstrate a knack for client-centric thinking
- Excel in person-to-person communication
- Bring a background of fast-paced team play.
- Have a can-do attitude.

Experience in sales is a "plus," but experience in **success** is even more important.

If you have that going for you, you could be a great fit in a Daily Star culture that links cutting-edge technology with traditional 1:1 sales relationships.
