SUPPLEMENTAL NUTRITION ASSISTANCE

We have lengthened your SNAP certification period to February 28, 2017.

You will continue to get the same amount of SNAP benefits $511.00 from October 1, 2016 to February 28, 2017. This is because you are eligible for Transitional SNAP Benefits.

You will receive this SNAP benefit amount until the end of the transition period above. You are not required to report any changes until the end of this transition period. If you have changes during your transition period that may increase your benefits, you must contact your worker to file an early recertification application in order to receive any increase. Early recertifications that result in a benefit increase will end your transition period. Also, your transition period will end and your SNAP benefits may change if you begin to receive temporary assistance again. Otherwise, your transitional period and benefit will continue as described above.

This decision is based on CFR 273.12(f)(4).

- Your household has had a change in Public Assistance benefits.

  This decision is based on Regulations 18 NYCRR 387.10 and 387.12.
