Borrower(s): **JACIE TEST VETERAN**

Property Address: **478 GREENWAY CIR, ALAMO, CA 94507**

We (the Lender) are required by Federal Law and Regulations to make or obtain a determination of whether the home that will secure the loan which you have applied for is or will be located in an area with special flood hazards. **As of the time of this notice, the flood hazard determination has not been finalized or can not be made due to the unavailability of information on the property.**

If it is determined that your property is located in a Special Flood Hazard Area (SFHA), either before the closing of your loan or during the term of your loan, you will be notified of the fact and provided with pertinent, related information, including whether the community that your home is located in participates in the National Flood Insurance Program (NFIP).

If flood insurance is required and your home is located in a community that participates in the NFIP:

- You will be required to purchase and maintain flood insurance for the life of the loan either through the NFIP or the company of your choice; (At a minimum, flood insurance purchased must cover the lesser of: (1) the outstanding principal balance of the loan; or (2) the maximum amount of coverage allowed for the type of property under the NFIP);
- You may be required to pay your flood insurance premiums into an escrow account established for that purpose; and
- If you fail to purchase or renew flood insurance on the property, we are required to purchase flood insurance for you at your expense.

If flood insurance is required and your home is located in a community that does **not** participate in the NFIP:

- Flood insurance coverage under the NFIP is not available; and
- You may not be able to obtain certain types of loans or any loan at all on the property.

**You understand and agree that** if at any time before the closing of your loan or during the term of your loan it is determined that the above property is located in a Special Flood Hazard Area:

- **You must purchase and maintain flood insurance for the term of the loan;**
- **We may require flood insurance premiums to be escrowed under certain circumstances; and**
- **If you fail to purchase and maintain such insurance, we are required to purchase flood insurance for you at your expense.**

We may assign, sell, or transfer the servicing of your mortgage loan. Your new lender/servicer may require more flood insurance coverage than the minimum amount that has been identified in your Notice of Special Flood Hazards (NSFH). The new lender/servicer may require coverage in an amount greater than the minimum, and has the right to require flood coverage at least equal to 100% of the insurable value (also known as replacement cost value) of the building(s) used as collateral to secure the loan or the maximum available under the National Flood Insurance Program (NFIP) for the particular type of building. You should review your exposure to flood damage with your insurance provider, as you may wish to increase your coverage above the minimum amount required at the time of closing your loan versus what subsequently the new lender/servicer may require.

Borrower(s) understand and agree to these terms on the **5TH** day of **OCTOBER, 2018**.
