All orders are accepted and all reports and certificates are issued subject to the SGS General Conditions of Service for North America (copy available upon request or may be viewed at <http://www.sgs.com>) or as otherwise agreed upon. Any person, including the customer, using or relying on this certificate or report, agrees that the liability of the contracting SGS affiliate shall in no case exceed a total aggregate sum of the lesser of US \$20,000 or ten times the fee paid or payable for the service giving rise to the claim, but in no event in excess of the extent of the proven negligence of the contracting SGS affiliate. The results shown on this test or inspection report refer only to the sample(s) tested or inspected unless otherwise stated.

Dricks, Alexis (Deer Park)

The samples represented by this receipt are left in your custody according to the instructions from our customers and/or your request.

We draw your attention to the fact that you must ensure that these samples are transported, stored and disposed of in a safe and legal manner. SGS cannot be held responsible. Please refer to the respective SDS (Safety Data Sheet) which the producer or owner of the product must make available to you and any other appropriate safety, transportation, storage, disposal, composition, and labeling information. You may elect to return the above samples to us for disposal or packing and freighting for your account upon receipt of your order to the appropriate SGS office.

Your signature above indicates that you have read and understood this notice. If you have any questions, please call the SGS office indicated above.
