LO 5.4.0.3

Filter

| | | | |
|------------|---|---------|----------------------------------|
| Bereich | <input type="text" value="Mechanik und Stativr"/> | Raum | <input type="text" value="004"/> |
| Gegenstand | <input type="text"/> | Schrank | <input type="text"/> |
| | <input type="text" value="Filtern"/> | Regal | <input type="text"/> |
| | | Ort | <input type="text"/> |

And here you could see nearly nothing of the characters, because the background is lost.
