

Problem 1/3

Excel:

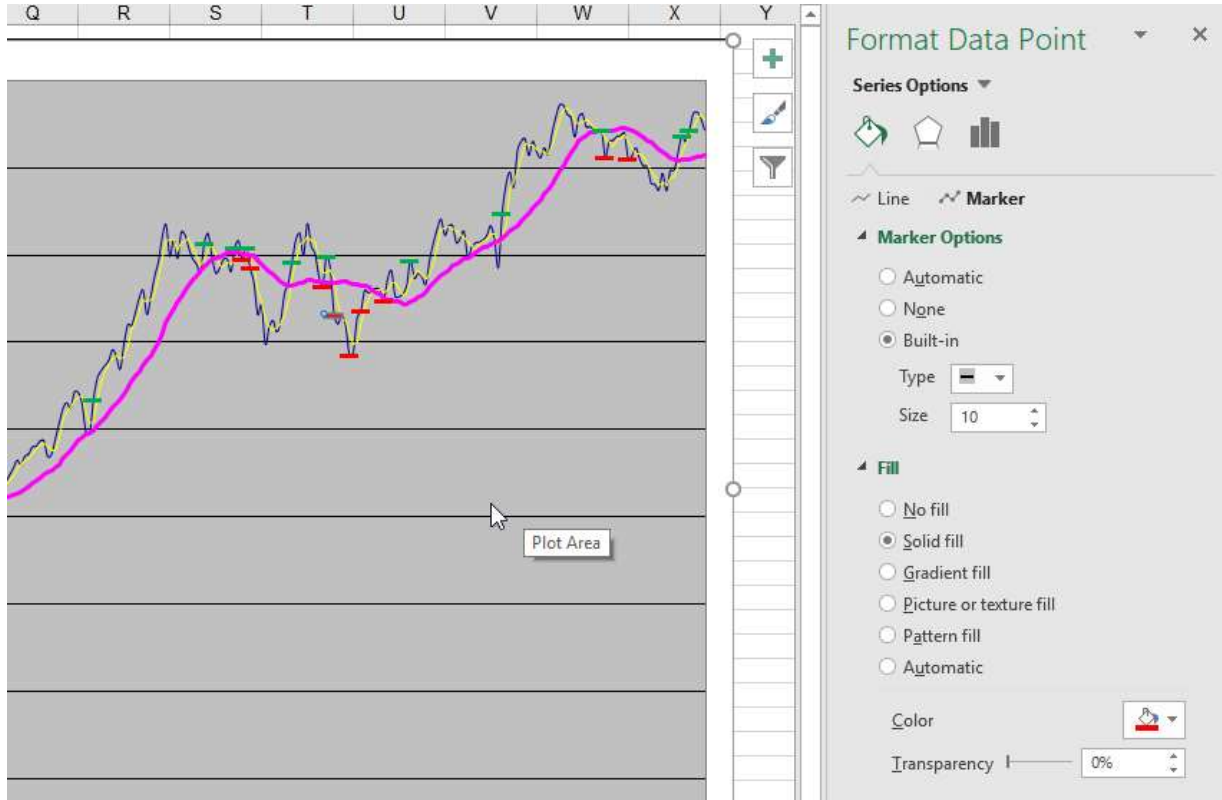

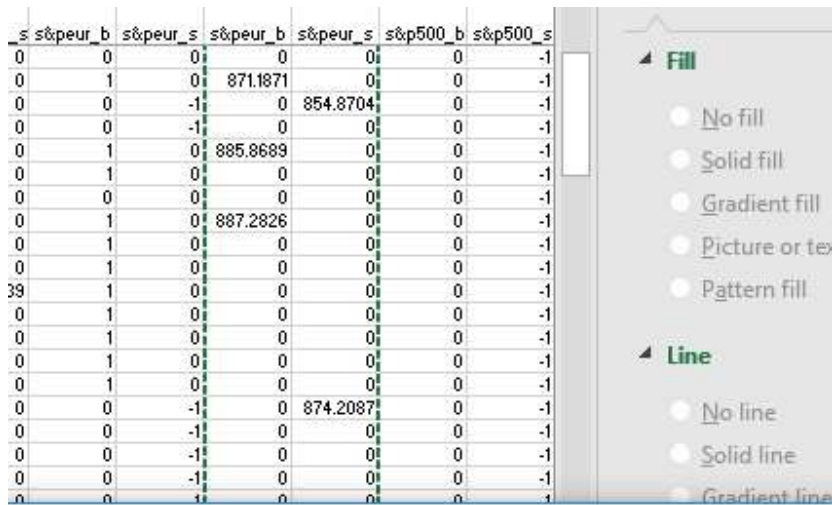

LibreOffice: Detail lines disappeared

Problem 2/3

Excel: graph with buy and sell signals

ect Data Source

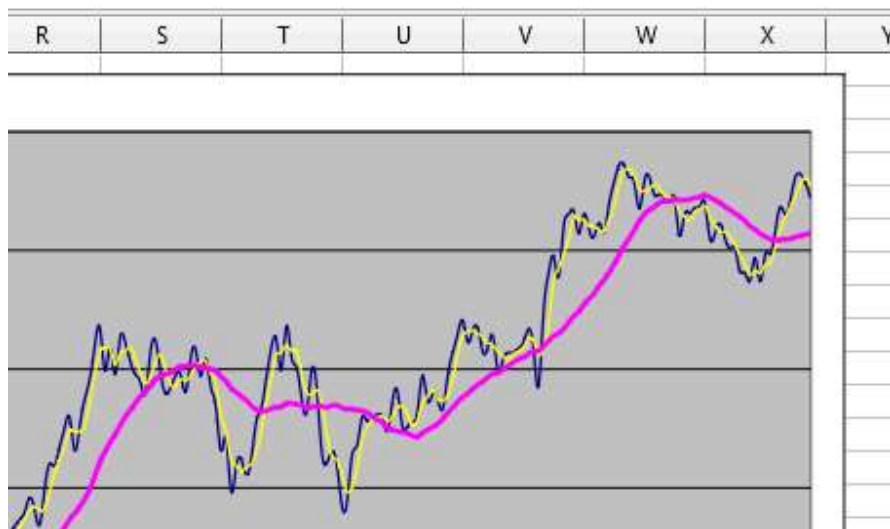

hart_data range: =data!\$V\$30:\$V\$565,data!\$AI\$30:\$AI\$565,data!\$AW\$30:\$AW\$565

Switch Row/Column

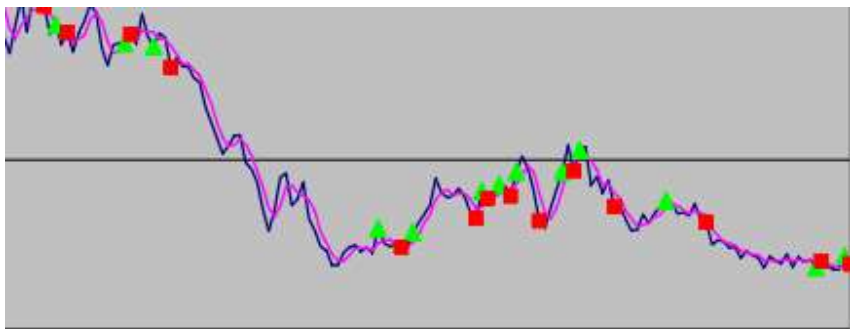

Series

Series	Horizontal (Category) Axis Labels
Series1	<input checked="" type="checkbox"/> 1
Series2	<input checked="" type="checkbox"/> 2
Series3	<input checked="" type="checkbox"/> 3
Series4	<input checked="" type="checkbox"/> 4
Series5	<input checked="" type="checkbox"/> 5

LibreOffice: signals are missing

But they seem to work when using triangles:

Problem 3/3:

Excel: copy row => insert copied cells is there
