

❑ Umlaute are not working when you type them first in different objects!
They will be shown with a wrong character!

❑ Ae
Ä Ae

❑ Ue
Ü Ue

❑ Oe
Ö Oe

| ae
ä ae

[OBJ] ue
Ü ue

oe
ö oe

Ä but it is working in a text object !

There is an additional error showing special signs from wingdings in writer!
The signs take the double space than before!
