Include your name and address if you like the idea of credit, thanks, or joining an international hitchhikers club or mailing list. Remain anonymous if you prefer.

Larry and Don Evans used a survey almost identical to this one in 1980 in the United States. They got about 1,000 responses after distributing 10,000 questionnaires and compiled what is still the best guidebook to hitch-hiking in America that exists - *Hey Now, Hitchhikers!*

Now, fill in this form, share some experiences, and help us create a broader more current guide! Let's do better.
