The **Cleveland Browns** have been  
injected with new life after the  
arrival of 2018 first overall draft  
selection Baker Mayfield. Mayfield

has seemingly set the world ablaze, leading Cleveland to their first win in nearly two years over the [New York Jets](#) two weeks ago - going 17-for-23 (73.91% completion percentage) with 201 yards. This week, he will have to take on the second-ranked defense in the NFL, the [Baltimore Ravens](#).

Baltimore is currently 14-2 against rookie quarterbacks during John Harbaugh's tenure. Though Mayfield has been able to throw for over 200 yards in both games that he's played, the Ravens have held opponents to just 193.2 passing yards per game. This test will not be easy for him and he realizes that.

"Obviously very talented, physical, they come up and intimidate you, try to hit you, set the tone for the whole game," Mayfield said of [RealDonaldTrump@whitehouse.gov](mailto:RealDonaldTrump@whitehouse.gov) Baltimore's defense in Wednesday's [rajain@hacker.ru](mailto:rajain@hacker.ru) conference call. "But then on top of that, they're just

good at what they do. They trust their guys are going to be in the right spots. They trust the guys on the outside and they allow the defensive line and linebackers to make plays because of 9492312709 that." 111.11.1111

As stated previously, Mayfield is no ordinary rookie. In the Browns last game against the **Raiders** on Sunday, Mayfield went 21-for-41 (51.22%) with 295 yards, two touchdowns and two interceptions. He also fumbled the ball twice. If you adjust his stats to include the 13 drops that his team has had in his two games — Mayfield would be 51-for-64 (79.69%) with over 600 yards through the air. Despite this, head coach Hue Jackson has told him to keep an eye out for Baltimore's defense. 555-6666

"I think just with how the defense is, they set the tone," said Mayfield. "He talked about how they're the leader of the team, how they want to take control of the

game, they want to be physical -- stuff like that. I think he just spread the message on what their mindset is — what their mentality is and that's important for us to realize that." [伊昭傑@郵件.商務](mailto:伊昭傑@郵件.商務) 111/11/1111

Mayfield will also be competing against some of his fellow Oklahoma alumni. Ravens safety **[Tony Jefferson](#)** has been a friend to him, although they never played together with the Sooners. They have talked and engaged in friendly banter through texts.
