

Cabin Rental 2019

Reservation, deposit, payment, and cancellation policies

For important cabin & guest information, please see other side.

Most cabins are held for **four-night reservations** or longer. However, we will happily rent for fewer nights if vacancies appear imminent or if the requested dates fill openings between existing reservations.

VISA, Master, Discover cards, cash, money orders and personal and travelers checks are accepted.

A deposit of one-third the total reservation charge is required to confirm reservations, with a minimum of one night's rental cost. Our receiving your deposit or, at our option, holding a cabin with your credit card, guarantees that space is reserved for you.

You will be expected to pay for all nights that you reserve, whether you stay the entire time or not.

A cancellation fee of \$45 is charged for all cancellations **or changes** made **at least 15 days in advance** of the reservation's first night date.

Later cancellation/changes are contingent on our ability to refill the reserved space. We will make an earnest attempt to refill all canceled dates. A \$45 cleaning fee is also charged if more than one reservation fills a late canceled reservation.

If for some unforeseen reason you cannot arrive on your scheduled first night, please give us a call, or we might think you are not coming and rent your cabin to another. Please call us if you discover you will be arriving several hours later than your reservation arrival estimate.

Rates: Cabin rental rates are based on cabin size, duration of reservation, and the number of people (starting at two).

- Notify us if the number of your party changes from the original reservation.
- An extra nominal fee may be charged for a 1-2-3-or weekend rental, if and when available.
- 7.375 % sales tax applies to your total charge.

Check-out time is 10:30 a.m. Check-in is 2:00 p.m. to 9:00 p.m.

What is provided in NNN's Cabins?

We have tried to keep the atmosphere of a simple, clean, country place while providing you enough modern convenience to keep you comfortable in our small, frame cabins.

Cabins are positioned for a nice view of Lake Superior. They are all fully carpeted for warmth and barefoot comfort. Each has a bathroom with a shower, gas heat, and hot water. Cabins have one-room or separate bedroom layouts, decks, and may have porches with windows.

Kitchenettes: Cabins are equipped for cooking simple meals and have two-burner cook tops (no oven), toasters, refrigerators, dishes, utensils, coffee maker, filters, and pots and pans. Some have a microwave. You will find salt, pepper, dish soap, dish cloths, and dish pans in each cabin. If you need something special for cooking or serving, just ask and we will find it for you.

Linens: Each cabin has blankets, pillows, sheets, and one set of towels per person. We do not have daily maid service. **These are housekeeping cabins, which means that you are renting the facilities and are agreeing to "keep house".**

People come to NNN's Cabins for a quiet retreat from their fast-paced world. For this reason we do not offer special recreation, television, or telephones.

NNN's Guest Policies

To keep NNN's Cabins a relaxing, peaceful place, we do not accept reservations for reunions or groups, and we limit the number of people in each cabin.

We have an all-quiet rule after 9:30 p.m. Only the waves are allowed to roar here, and guests should be able to hear, undisturbed, the chitter of birds and the sigh of breezes in the pine trees.

All cabin interiors are smoke free. Sorry, we do not allow pets.

Guest Visitor Policy

Over the years, we have designed and committed our business to provide a serene, natural setting for a limited number of guests. We do not believe the addition of other visitors, who are not our resort guests, will enhance our peaceful atmosphere. Therefore, we have created the following rules:

Your cabin is reserved for your prescribed party only. Visitors who fill the cabin beyond it's occupancy limit are not allowed. **If you are considering having others visit your cabin, you must discuss your plans with us** and receive our approval before arrangements are made with you visitors.

For the privacy and security of all resort guests, those stopping in to explore NNN's Cabins and our guest's **visitors must register at the office when they arrive.** This screens unwanted disturbances and the confusion of visitors searching throughout the resort with their cars.
