01	Faron Woods	In the Faron Woods, there's a cave to the northEast where you initially find a Small Key to let you progress. Inside, light the two torches to make a large chest appear on the platform.	<i>Lantern</i>	
02	Forest Temple	In the room with the Bomblings and Deku Likes, one of the Deku Likes is blocking an alcove with a Large Chest. To defeat it, you can climb up to the platform above it, smack the nearby Bombling and drop it over the edge so it swallows it.	<i>Lantern Clawshot?</i>	
03	Forest Temple	In the room with the Tile Worms, blow out all the torches using the Gale Boomerang to reveal a hidden alcove with a large chest.	<i>Gale Boomerang Clawshot?</i>	
04	North of Faron	In the portion of Hyrule Field just north of Faron Woods, go straight forward (from Faron) and you'll come to a rise with two Club Bulblin. After defeating them, look at the tree to the north (before the bridge) and you'll find a Piece of Heart in its branches. Use the Gale Boomerang to bring it over.	<i>Gale Boomerang</i>	
05	Kakariko Gorge	In the portion of Hyrule Field just south of Kakariko Village, there are two large rock formations in the distance towards the center of Hyrule. There's a Piece of Heart atop the larger one, so use the Gale Boomerang to bring it over.	<i>Gale Boomerang</i>	
06	Ordon Village	After restoring light to the Eldin Province and getting Epona back, you can return to Ordon Village and help Fado herd the goats during the day. If you can manage to herd all 20 goats in under three minutes, he'll gift you with a Piece of Heart.	Epona	
07	Goron Mines	In the room where you walk around on the ceiling due to the large magnetic field, you can walk to the far Northeast corner and find a hidden platform with a large chest.	Iron Boots	
08	Goron Mines	In the room just north of the large central chamber, the room is divided into two areas. On the north side of the room there are two beamos in the center, while along the West wall there is a magnetic field. Walk up it with the Iron Boots and turn south to find a platform with a large chest.	Iron Boots	
09	Kakariko Village	After completing the Goron Mines, Talo can be found atop the highest building in the village. To get up there, speak with the Goron at the building's base and climb up the ladder. Speak with Talo, who will ask Link to teach him how to use the bow.	Hero's Bow	
10	Kakariko Village	Blow up the boulder near the Eldin Spring and follow the path to drop down into the spring itself. Put on the Iron Boots to sink down where you can find a large chest.	Bombs Iron Boots	
11	Kakariko Village	There are some boulders just above the Eldin Spring. Once you buy Bombs from Barne's Shop, you can combine them with the Hero's Bow to create Bomb Arrows. Blast the boulders to reveal a Piece of Heart. Use the Gale Boomerang to bring it down.	Bomb Arrows Gale Boomerang	
12	North of Kakariko	When you exit Kakariko Village to the north, you'll arrive in a large portion of Hyrule Field to the East of Castle Town. To your immediate right, you'll come to some boulders in this rocky area. Blow them up with Bombs and follow the path to some vines and more boulders. Use Bomb Arrows to blow up the boulders on the ledge, then jump across the gap to grab the vines. Pull yourself up and continue on to find a large chest on a ledge.	Bombs Bomb Arrows	
13	Lake Hylia	In Lake Hylia, speak with Fyer to get shot up to the top of Lake Hylia (Hyrule Field). From here, you can play Falbi's Flight by Fowl to glide with a Cucco to the Isle of Riches. Use the Analog Stick to move around and slow down. The second to top tier (the highest and smallest one that isn't spinning) has a large chest that contains a Piece of Heart.	N/A	
14	Hena's Fishing Hole	When in Hena's Fishing Hole, look towards the central pillars to see a Piece of Heart atop the rock formation. When in the boat, you can use the Fishing Pole to bring it over to you. Alternatively, you could use the Gale Boomerang and lock on from the shore.	Fishing Pole	
15	Castle Town	In Castle Town, there's an old dude by the name of Charlo hanging out near the West exit just north of Purlo's tent. When you speak with him, he'll ask you to donate. By giving him 1,000 Rupees, you'll be rewarded with a Piece of Heart.	Rupes
