So sample document from report looks in OOo3.1.1

table_test.odt - OpenOffice.org Writer

Datei Bearbeiten Ansicht Einfügen Format Tabelle Extras Fenster Hilfe

Some text

inside the same cell with white

border

Some text in a cell with black

border
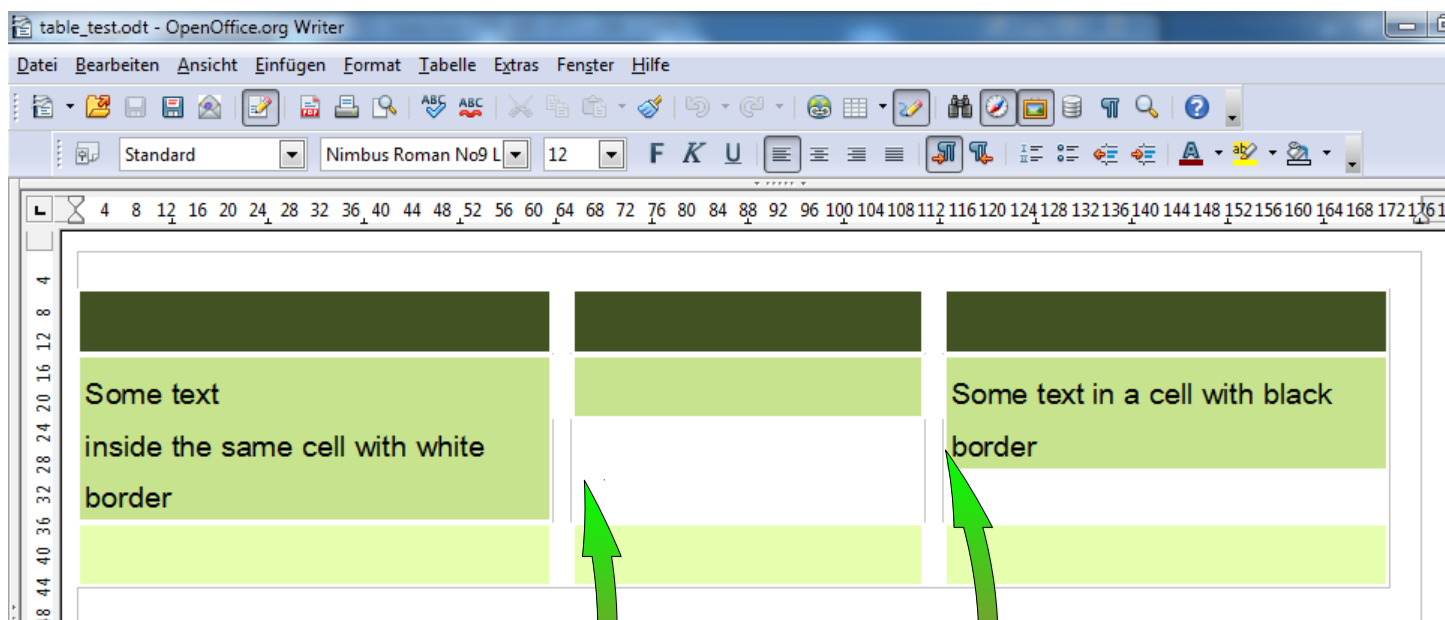

So PDF Export looks from OOo3.1.1

Some text

inside the same cell with white

border

Some text in a cell with black

border
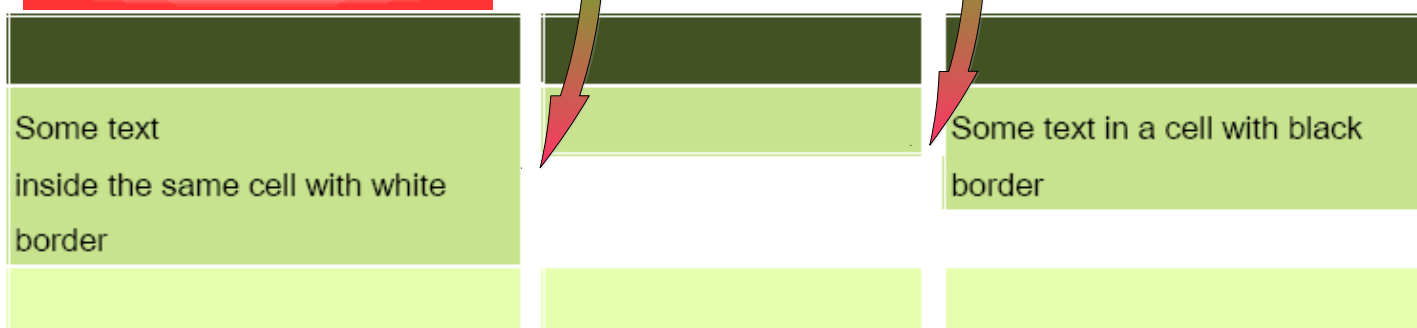

Document in LibO333 looks the same as in OOo 3.1.1, but PDF export is different

Some text

inside the same cell with white

border

Some text in a cell with black

border
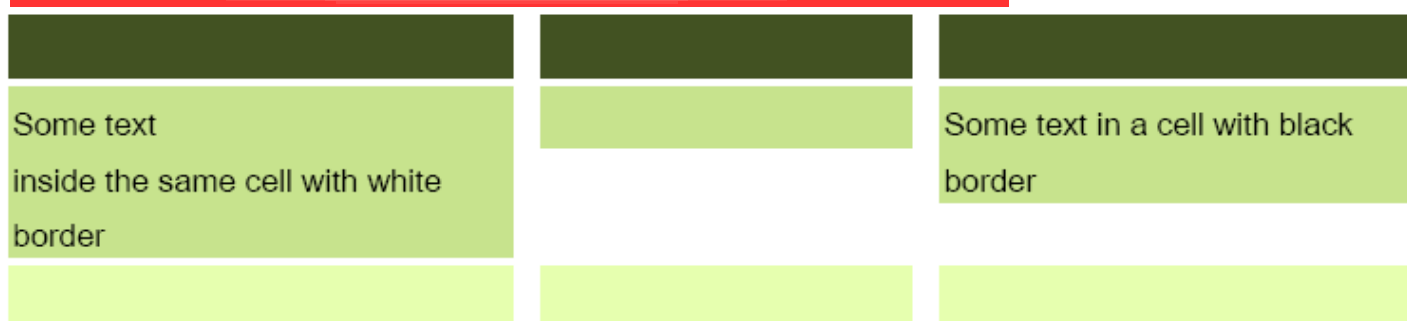

So sample document from report looks in LibO 3.4.2 - Nice, but completely different from LibO 3.3.3

table_test.odt - LibreOffice Writer

Datei Bearbeiten Ansicht Einfügen Format Tabelle Extras Fenster Hilfe

Some text

inside the same cell with white

border

Some text in a cell with black

border

So PDF Export looks from LibO 3.4.2

Some text

inside the same cell with white

border

Some text in a cell with black

border
