Or email arts-centre@le.ac.uk

Application deadline: Friday 30 January 2009

Applicants are kindly asked to provide images of each artwork showing the work from various viewpoints.

Please note that only artworks that meet the following criteria may be considered:

- Work must be made from a material suitable for outdoor display
- Maximum weight 500 kilo
- No sharp edges (or exposed sharp fixings)
- Work must be robust and withstand touching by visitors
- Work must be stable when in situ

A shortlist of exhibits will be selected by this year's guest curator John Sydney Carter FRBS. All artists will be notified of the outcome by the end of February. If you wish your images to be returned, please enclose a stamped addressed envelope.
