

So it Ilks opened with parallel installation of MinGW Master "LibO-dev 3.5.0 – WIN7 Home Premium (64bit) English UI [(Build ID: 308b7a2-e916bf9-9c6ea62-e1a2fb3)] (daily/MinGW_cross-compilation 2011-10-18_22.56.49)"

And the first time I tried to open I got this message:
