2012 AGM

Chris report back back on AGM

Lyttelton

WELCOME

Regards
Chris Willemse

RADIOS

We switched over to the new frequency on 5 February 2012. Please ensure that you are on the correct channel. If Zulu 0 doesn't answer your call, please contact Jacques at (radios@ls1.co.za)

February Radio Tip

Community:

When starting a transmission on your radio, depress the talk button but don't start talking immediately. After a second, you may call Zuru 0 to relay your message.

Patrollers:

It is imperative that you announce your patrol to the JOC. If you are experiencing radio problems, notify the JOC on 0861 571 911.

JOC

We are currently running the JOC on a virtual basis which works well. We are also looking for people to help man the JOC.

Please contact Karen Botha on 083 289 9781 to get involved.

PATROLS

WE NEED YOU!!

We need members to volunteer for patrols for only 2 hours a week. The more members that patrol, the less each member has to patrol.

Please contact Theuns Deetlefs on 082 561 0911 to get involved.

Col. CW Kleynhans re-deployed

It is with great disappointment that we bade farewell to Col. Kleynhans after 3 years. His pro-active and hands-on approach to fighting crime in our area, has endeared him to the community, and he will be sorely missed. Currently we are awaiting a new appointment in his post, and we hope to relay this information in our next newsletter.

Golf Day 2012

Our Golf Day for 2012 will be held on 27 July 2012, again at the Zwartkop Country Club. We will be building on the success of 2011, and hopefully improve on that. Needless to say, a lot of work lies ahead and we are eager to tackle the bull by the horns!

Letter of the month (Afrikaans)

Ongeveer so kwart oor 7 die aand van 15 Feb wou ek gou iets in my slaapkamer gaan haal. Ek was alleen tuis - manlief het laat weet hy is oppad terug vanaf sy werk. So 2 tree in my kamer in het ek 'n vreemde " voorwerp" op my mat opgemerk. My nagmerrie vermoede is bevestig toe ek die lig aanskakel en 'n ongeveer meterlange swart met rooierige ringe slang mooi netjies voor my onder my bed sien inseil! Die kamerdeur is versigtig maar baie ferm toegemaak. Toe het my soektog begin na 'n kenner om die uwe te kom vang! Ek was vasberade dat ek nie vir enige buurman of manlief wat oppad, is gaan help om daardie slang in my kamer, badkamer, studeerkamer of instapkas te soek nie! Dit was die opsies waarheen die slang kon gaan skuiling soek sou hy bedreig voel! Ek het die blitspatrollie probeer, navrae, sowel as 'n ander nommers wat navrae gegee het. Almal was vol begrip, maar niemand kon help nie.

My buurvrou Gerna Rossouw, is betrokke by CPF en sy was die 6e oproep wat ek in my benoudheid gemaak het! Binne 5 minute was daar eerstens baie parate ondersteuning in die persoon van Robert. Alhoewel hy nie die " vanger " was nie was hy gereed om beskerming te bied teen enige gevaar! Kort daarna het Eksteen gekom - die held ! Toe ons die deur oopstoot was die slang in elk geval weer oppad terug gang toe en het ons vir Eksteen in vrede gelos om te doen wat hy moes doen! Eksteen het die slang nog dieselfde aand na 'n kenner geneem en dit is geidentifiseer as 'n Tangerine Honduran Melkslang - onskadelik vir mense (behalwe vir hartstilstande!).

SECURITY TIP OF THE MONTH

Don't put valuables in the front of your car. Lock laptops, handbags etc in the boot. Theft out of vehicles is a huge concern at the moment. Beware of people around your vehicle when stopping at traffic lights, stop streets or at shopping centres. Be very alert when driving through the Rabie/End st. crossing as this is a smash&grab hotspot!

Ek wil net graag hiermee baie dankie se aan die CPF - Gerna, Robert en Eksteen. Ek waardeer jul onbaatsugtige hulp. Julle entoesiasme en ondersteuning sal my bybly. Dit is nogal gerusstellend om te weet sulke mense is net 'n telefoon- of radio-oproep ver! Ek kan julle verseker dat my man julle ook ewig dankbaar is! Dit mag volgende keer dalk nie 'n onskadelike slang wees nie!

Mercia Engelbrecht
