# THE BEST NYC FLOWER DELIVERY SERVICE

## ODE A LA ROSE VOTED BEST FLORIST IN NEW YORK CITY BY NY MAGAZINE!

Ode à la Rose - [voted "Best Flower Delivery Service" by NY Magazine](#) in its 2013 Best of New York Edition - is a NYC Florist that brings the timeless beauty of roses right to your doorstep. For those who admire simple, classic beauty, Ode à la Rose is the ideal flower shop. We specialize in timeless elegance, rather than fleeting trends, and the rose is a perfect symbol of such style. No frills needed, the flowers say it all.

## BEAUTIFUL BOUQUETS FROM AN ONLINE FLOWER SHOP WITH A FRENCH TOUCH!

With simple, elegant bouquets designed by French florists, Ode à la Rose we specialize in refined bouquets that emphasize the purity of flowers, just like those seen everywhere in Paris. This kind of same day flower delivery with a "French touch" is a rare find in NYC. All of our flowers are hand-delivered in an elegant box that is certain to delight.

## ORDER FROM OUR WIDE RANGE OF SCENTED ROSES AND FLOWERS

Nothing can compete with the simple elegance that the rose offers. Be it a single red rose, or a colorful dozen, these flowers can say so many things, on so many occasions. Red for romance, a colorful bouquet to celebrate, white to apologize, pink to express gratitude, the choices go on. Flower delivery can be useful even when there's not a special occasion. While life in NYC is exciting and fast-paced, it can be

exhausting too. Order yourself a bouquet to welcome you home after a long day, or have one on your desk at work, so when you need a break, all you have to do is close your eyes as you inhale their lovely odor. You can make your online shopping experience an enjoyable one, and find a gift for anyone - even for yourself! Who can resist putting her nose into a dozen roses and breathing in their delicious scent?!
