

- NOTES -
- 1 Explanation.** Display copy with question icon. Note: We do not want to repeat the word “recommended” or “recommendations” in the copy below the page title.

User hovers over question icon to see Tooltip in #2.
 - 2 Explanation- Hover.** Display Tooltip content here.

User needs to be able to click the “learn more” link. So the Tooltip should be timed to allow user to hover off “what’s this?” to get to the link.
