

Goodbye, clutter. Hello, awesome reading.

Download the latest version of Firefox to enjoy a cleaner and more convenient reading experience on the Web with Reader View and Reading List.

Get Firefox

Messy old website

Beautiful Reader View

Goodbye, clutter. Hello, awesome reading.

Enjoy a cleaner and more convenient reading experience on the Web with Reader View and Reading List in Firefox.

Read it

Want to read articles clutter-free? Use **Reader View** to put the focus on what matters. Just look for the book icon in your Firefox address bar.

Save it

Short on time? Save articles for later by adding them to your **Reading List**. It's as simple as clicking the plus sign next to the book icon.

Sync it

Want to take your Reading List on the go? Sign in to **Sync** to access your saved articles — and more — everywhere you use Firefox.
