### License agreement

This document is just a commercial proposal and does not constitute a binding license agreement. Upon accepting this proposal, Mozilla agrees to sign a formal licensing agreement/amendment with Basemark where the final terms and conditions of the agreement are defined in mutual understanding.

### Product Support and Maintenance

Basemark Service and Maintenance:

- Email and phone support during Finnish business hours to answer questions about the benchmark product usage
- Error corrections to Basemark Products

Updates to new versions of Basemark products (minor version updates).

Basemark product support and maintenance period is one year from the date of purchase.

Payment of the first year maintenance is mandatory (unless otherwise specified in the final quote), consecutive years are optional.

Should the customer let the product Support and Maintenance expire but then later on wants to renew it again, the customer is obligated to pay the Support and Maintenance fee also for the expired period.

## Delivery

Software will be delivered via FTP and login access will be given to named person of customer.

Applicable licenses will be sent via email to address on Rightware quotation unless otherwise specified.

## Payment terms

Payment terms are 30 days net from the date of the invoice (0% VAT)

Sincerely,

Eric Zapalac
