On behalf of Cancer Council and those affected by women's cancers, thank you! We are thrilled to have you on the team.

EVERYONE MAKES A DIFFERENCE

Thank you so much for helping to raise funds for Cancer Council and help beat women's cancers. Every day in Australia around 50 women are diagnosed with breast or a gynaecological cancer. With your help we can make a real difference in the fight against a disease that touches us all.

In 2014, we raised \$8.9 million through Cancer Council's Girls' Night In, Pink Ribbon Day and other Pink Ribbon Fundraisers. With your help, Cancer Council hopes to raise even more to fund more support services, prevention programs and vital cancer research.

With your help, we can do it!
