

JSUnconf 2017
THIS IS YOUR CONFERENCE!

Dear Sponsors,

We are super excited that the 4th JSUnconf will take place in Hamburg in March 2017.

<http://2017.jsunconf.eu>

About 300 people, both from Germany and abroad, will attend the event. The target group is developers and consultants who use JavaScript, either privately or in their daily work. We as organisers are expecting a return of core developers of well-known frameworks and many familiar names and faces from the JavaScript community.

Facts and figures:

- 250 - 350 attendees
- 2 days, 3 parallel tracks
- 25th and 26th of March in 2017
- Location: BMK Hamburg
- ~30 presentations, each lasting 30 minutes
- Tickets: €59 - €79
- Language: English

The previous JSUnconf was characterized by a range of high quality sessions covering a wide spectrum of topics

(See [JSConf channel](#)). The resulting media coverage was extremely positive and we are expecting a large majority of last year's attendees to be present at the event in 2017.

The Early Bird tickets sale will start in January. Regular Tickets are scheduled for February. Diversity Tickets will be available for underrepresented groups in tech to apply.

Our aim is to hold a stand-out event that is a success for everybody involved. In order to attract as many developers as possible, we want to keep the ticket price as low as possible. As a sponsor, you have the opportunity to present your product and/or yourselves as an attractive employer at the event. The various options are listed below.
