

Firefox Developer Edition – Responsive Design Mode

According to website: https://developer.mozilla.org/en-US/docs/Tools/Responsive_Design_Mode

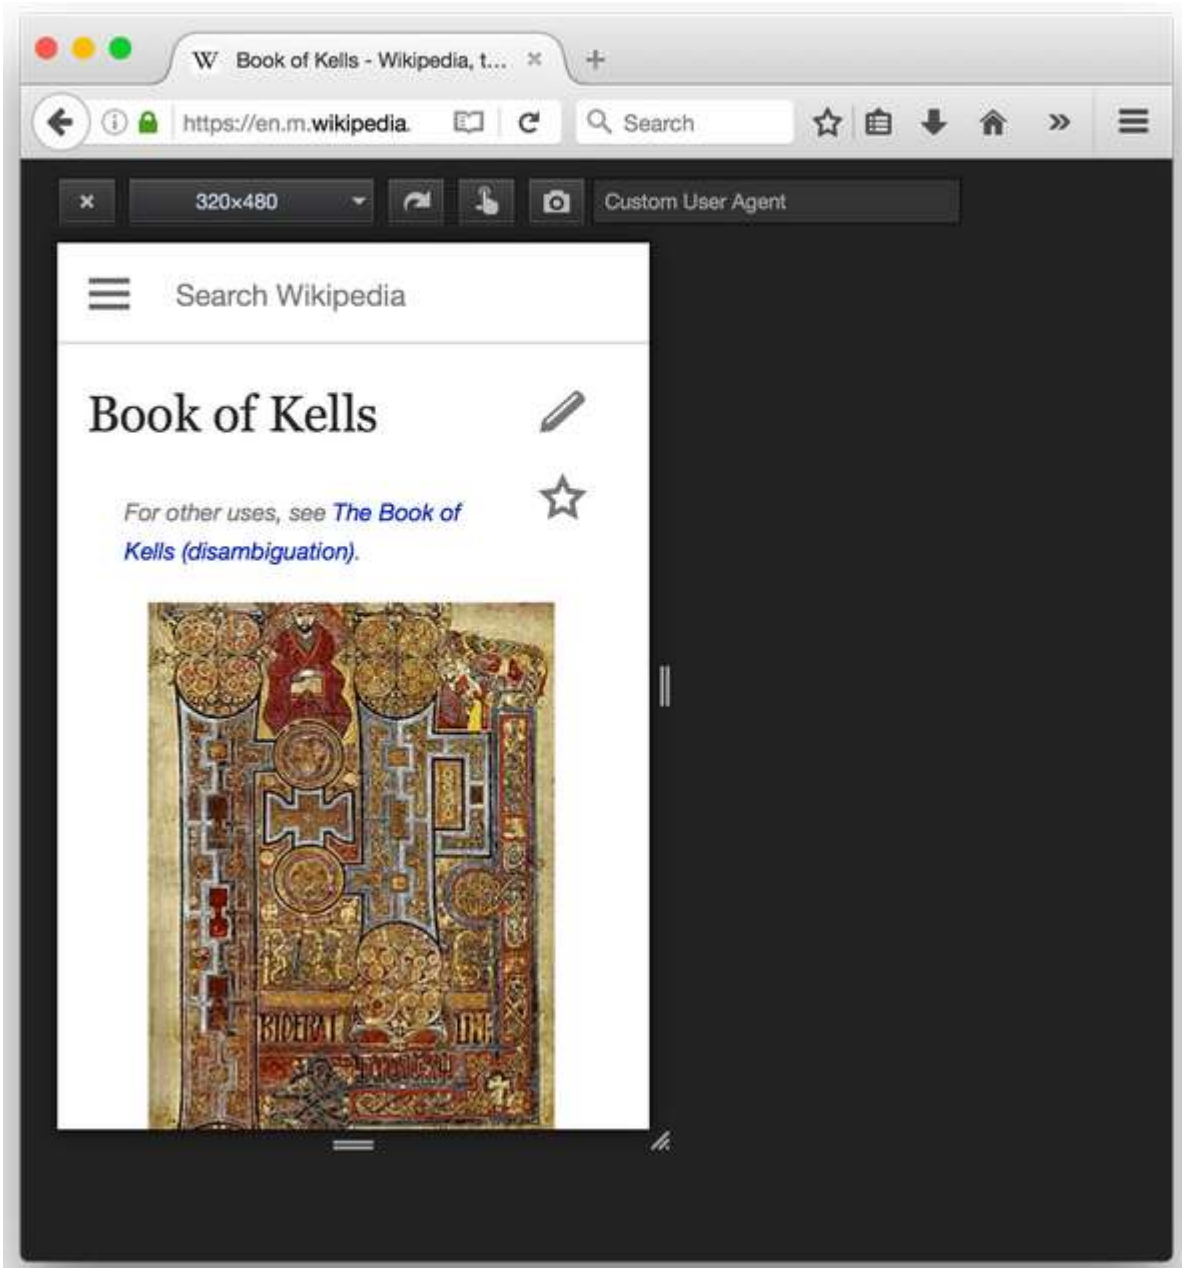

The new RDM

This page describes Responsive Design Mode as it appears in Firefox 52 and above. To see what it's like in earlier versions of Firefox, see [Responsive Design Mode \(before Firefox 52\)](#).

And the old RDM

This page describes Responsive Design Mode as it appears before Firefox 52. To see what it's like from Firefox 52 onwards, see [Responsive Design Mode](#).

Live view from user PC (Windows 10)

User has the old RDM on the latest build 53.0a2, but should according to information have New RDM.
