## Newsletters

Subscribe Unsubscribe

### Firefox

A monthly newsletter and special announcements giving you tips to improve your experience with Firefox on your desktop and Android device.

☐☒

### Mozilla

News and special updates about our work to promote openness, innovation and participation on the Internet, including ways for you to get involved.

☐☒

### Mozilla Developer Newsletter (English only)

A developer's guide to highlights of Web platform innovations, best practices, new documentation and more.

☐☒

### about:addons (English only)

Stay up-to-date on news and events relevant to Firefox extension developers.

☐☒

### Mozilla Labs (English only)

We're building the technology of the future. Come explore with us.

☐☒

### Common Voice (English only)

Stay informed about our open-source voice database to help make voice recognition open to everyone.

☐☒

### Mixed Reality (English only)

Keep up with all the latest in Virtual and Augmented Reality.

☐☒

### Hubs (English only)

Updates about our open social platform that enables people to meet within Mixed Reality.

☐☒

---

## Mozilla Information Trust Initiative

(English only)

Find out more about our work to surface new ideas that seek to address misinformation, disinformation, and so-called “fake news.”

---

## Inhuman Ads (English only)

Get updates from the neighborhood watch for the web. Learn more about how we’re calling out the worst ads and improving the online experience for everyone.

# Getting too much email from us?

Not interested in our newsletters, but like those special announcements? No problem. We can keep in touch with occasional messages that matter most to you.

Check all categories that apply to you, and we promise to keep the mail to a minimum.

I’m interested in:

---

### Firefox for desktop

Don't miss the latest announcements about our desktop browser.

---

### Firefox for Android

Keep up with releases and news about Firefox for Android.

---

### Firefox iOS

Be the first to know when Firefox is available for iOS devices.

---

### Mozilla

Special announcements and messages from the team dedicated to keeping the Web free and open.
