## Search & List Pages

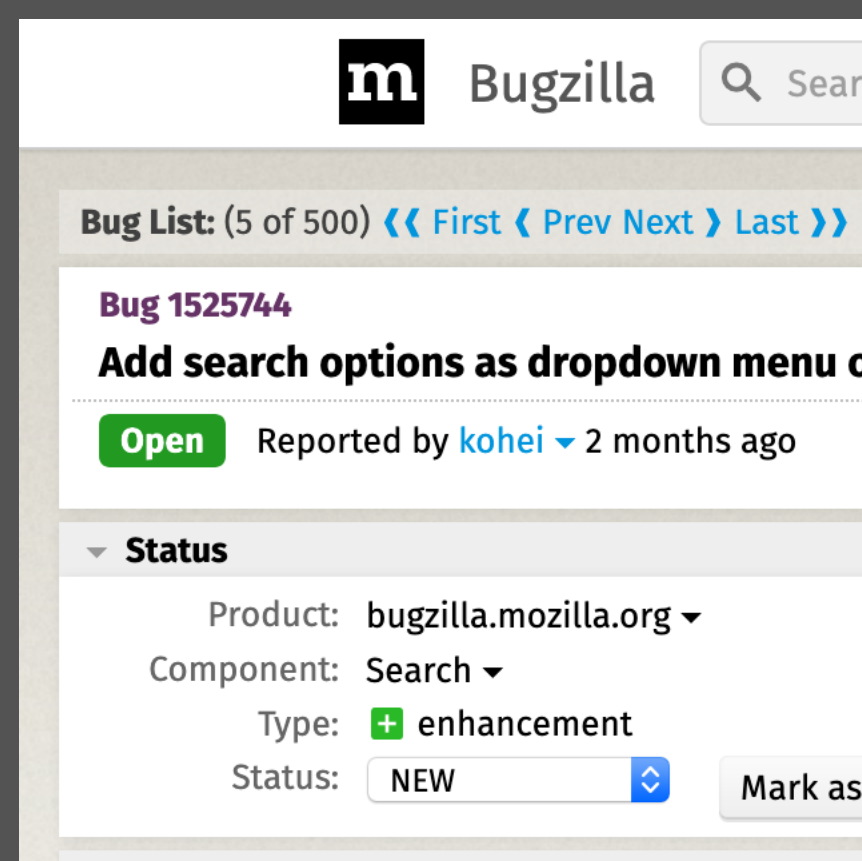

The screenshot shows the Bugzilla search results page. At the top, there is a search bar with the text "Search Bugs" and a magnifying glass icon. To the right of the search bar are several utility icons: a list view icon, a search icon, a plus icon, a window icon, and a double arrow icon. Further right is a user profile picture with a red notification badge containing the number "2". Below the search bar, the date and time "Thu Apr 4 2019 14:02:02 EDT" are displayed. Below that, the status "Status: ASSIGNED, REOPENED" and the reporter "Reporter: kohei.yoshino@gmail.com" are shown. The main content area indicates "17 bugs found." and displays a table of search results. The table has columns for ID, Type, Summary, Product, Comp, Assignee, Status, Resolution, and Changed. The first five rows are visible, showing various bug details such as "[Header] The dropdown menus should work without JavaScript" and "Thunderbird Bouncer links go to download .cdn.mozilla.net, showing cert error page".
