Yes, that is correct. And I'll find out about the rest of the transcripts.

Paul,

I added the folder and see the Exhibits to my Deposition there now, thank you. Just confirming that it is one document that is 660 pages long. Is that right?

Does Patty have any idea when the other 3 deposition transcripts will be done?

Thank you,

Jane Young

Paul,

1) You indicated that the Exhibits to my deposition in this matter are in our shared folder on Dropbox but they are not there. Can you please check on that for me?

2) Have we received the Transcripts yet for our depositions of John Suhrie, Don Hindman and Del Hague? I don't have any of them or the correlating Exhibits.
