

## BareNaked

The debut single and  
the new album coming October 8, 2002.

Jennifer Love Hewitt will release her latest album, **BareNaked**, in October. Her previous recordings 1995's *Let's Go Bang* and 1996's self-titled album set the stage for this new recording, but none of her previous recordings reveal the true artistry of this incredibly talented young singer - songwriter like **BareNaked**.

**BareNaked** is a personal and artistic musical statement of the highest order. Jennifer wrote the lyrics and co-wrote all of the music on **BareNaked**. She worked with producer and co-writer *Meredith Brooks* on the project. As Jennifer said recently, "Meredith Brooks and I co-wrote it together and we basically sat at her house for
