Mapping Tools

To identify a lodging, restaurant or attraction, move the cursor over a visible establishment on the map.

Step 1: Enter your starting location

Location: (e.g. Address, Airport, Lodging...)

Address:

City:

State/Prv:

Step 2: Select an action

- [GO](#) Create a map of the location above
- [GO](#) Add the location above to my trip
- [GO](#) Create a TripTik of my trip

Here's How It Works!

To find and map a location:

1. Enter a location on the form above, then click "Create a map of the location above"

To create a TripTik:

1. Enter the trip origin using the fields above.
2. Click "Add the above location to my trip" to add it to the Trip Itinerary.
3. Enter stopovers & destinations the same way.
4. Then click "Create a TripTik of my trip".

To explore the country graphically:

1. Use the pan / zoom buttons below the map.
