As the Apple Turns: Bringing New Meaning To...

Payback By Shipping Delay (10/24/03)

Who needs fancy psychics, [Shirley MacLaine](#), or expensive past-life regression hypnosis? If you want to know what kind of person you were in your previous lives, just look at what kind of luck you have with delivery times for [Apple Store](#) preorders. It's true! One side effect of Steve's Reality Distortion Field is that the constant bombardment by existence-bending zeta rays has made Apple far more attuned to the karmic forces of the universe than any other computer manufacturer out there, and shipping dates for Apple Store orders serve as a startlingly accurate barometer of past-lives behavior. Or misbehavior.
