S.C. certSIGN S.A.
Bvl. Tudor Vladimirescu, nr. 29 A,
AFI Tech Park 1, Sector 5, Bucharest,
Romania, CP 050881

In connection with your attestation engagement relating to the assertion specified in the accompanying report by S.C. certSIGN S.A. ("Company") management titled "Assertion by Management of S.C. certSIGN S.A. Regarding Its Disclosure of Its Business Practices and Its Controls Over its Certification Authority Operations During the Period February 8, 2019 through February 7, 2020" (Management's Assertion) based on the American Institute of Certified Public Accountants (AICPA) / Canadian Institute of Chartered Accountants (CICA) *Trust Services Principles and Criteria for Certification Authorities Version 2.2* throughout the period February 8, 2019 to February 7, 2020, we recognize that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion on whether the assertion specified in Management's Assertion is fairly stated, in all material respects. Accordingly, we make the following representations with respect to Management's Assertion, which are true to the best of our knowledge and belief.

We understand that your examination of our assertion related to S.C. certSIGN S.A.'s business practices disclosure and controls over its Certification Authority (CA) operations throughout the period February 8, 2019 to February 7, 2020 was made for the purpose of expressing an opinion on whether our assertion is fairly presented, in all material respects, and that your opinion is based on criteria for effective controls as stated in our assertion letter.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief:

Management's responsibilities

We acknowledge that we are responsible for Management's Assertion, selecting the Criteria stated in that assertion, and determining that the Criteria are appropriate for our purposes. We reaffirm Management's Assertion a copy of which is attached hereto.

We acknowledge that we are responsible for and have evaluated the suitability of the design and operating effectiveness of the controls over our CA operations at Bvl. Tudor Vladimirescu, nr. 29 A, AFI Tech Park 1, Sector 5, Bucharest, Romania, CP 050881, including CA business practices disclosure, service integrity (including key and certificate life cycle management controls) and CA environmental controls. All relevant matters have been considered and reflected in our evaluation.

We have performed an assessment and believe that S.C. certSIGN S.A.'s CA business practices disclosure, service integrity (including key and certificate life cycle management controls), and CA environmental controls met the minimum requirement of the criteria described in our assertion letter throughout the period from February 8, 2019 to February 7, 2020.

We believe the stated criteria against which our assertion has been assessed are reasonable and appropriate.

We have disclosed to you that there are no significant deficiencies or material weaknesses in the design or operation of the controls which could adversely affect S.C. certSIGN S.A.'s ability to

comply with the control criteria related to S.C. certSIGN S.A.'s CA business practices disclosure, service integrity (including key and certificate life cycle management controls) and CA environmental controls, consistent with the assertions of management.

We have provided to you all relevant information and access to: (1) all information, such as records and documentation, including service level agreements, of which we are aware and that are relevant to Management's Assertion and the suitability of design and operating effectiveness of the Controls; (2) additional information that you have requested; and (3) unrestricted access to personnel within S.C. certSIGN S.A. from whom you determined it necessary to obtain evidence.

We have responded fully to all inquiries made to us by you during the engagement.

Design and operation of controls

There has been no actual, suspected, or alleged fraud or noncompliance with laws or regulations affecting the System or Controls involving (a) management, (b) employees who have significant roles in the Company's processes and procedures relating to the System or Controls in conformity with the Criteria specified above or (c) others that could have a material effect on measurements or presentation of the System or Controls.

We have disclosed to you any of the following

- Instances in which Controls were not suitably designed and implemented
- Instances in which Controls did not operate effectively or as described, after giving consideration to expected rates of deviation
- Changes in the Controls that are likely to be relevant to user entities through the date of this letter
- Any other known matters contradicting the fairness Management's Assertion or the suitability of the design or operating effectiveness of the controls to achieve the applicable trust services criteria
- Instances of non-compliance with laws and regulations, or uncorrected misstatements attributable to the Company, management or employees that may affect one or more user entities
- Communications from regulatory agencies, user entities, or others affecting the System or Controls, from February 8, 2019 through the date of this letter

Independence

We are not aware of any capital lease, material cooperative arrangement or other business relationship between the Company and Ernst & Young SRL or any other member firm of the global Ernst & Young organization (any of which, an "EY Firm").

No known events or factors subsequent to the period (or point of time) of the assertion being reported on have occurred or are pending that would have a material effect on our assertion.

We are not aware of any reason that Ernst & Young SRL would not be considered to be independent.
