the tip of my iceberg

Last great book I read:
The Interpreter of Maladies, a book of short stories by Jhumpa Lahiri

Most humbling moment:
Can't think of the very most humbling, but it probably involved some boy....

Favorite on-screen sex scene:
Tie between Betty Blue, The Lover, and Henry and June

Celebrity I resemble most:
I've heard Halle Berry alot and Thandie Newton from time to time, but if I had to pick one, I'd say Lisa Bonet

Best (or worst) lie I've ever told:
Do you really want to know?

If I could be anywhere at the moment:
I'm pretty much liking it right here, but I'd really like to check out Brazil, Japan and the little towns you go through when you drive across the country, just to see what's out there....

Song or album that puts me in the mood:
Coltrane - A Love Supreme. But it really doesn't take a tune to get me in the mood.... But I like Stevie Wonder, the Strokes, the New Pornographers, Ella Fitzgerald, Chet Baker, Weezer, Jimi Hendrix, Bach, Beethoven, Chopin, Sheryl Crow, Lucinda Williams, the Beatles, Ben Harper, and all bossa nova.

The five items I can't live without:
- cameras
- guitars, piano, violin (they can count as one, right?)
- my laptop
- something to listen to music on
- good literary and/or visual smut

In my bedroom, you'll find:
A bed, a lamp and me. Toys are welcome.

why you should get to know me

I've got my head on more or less straight, I can have a good time doing just about anything, I'm pretty smart (I think) but not rude about it (I hope), people tell me I'm cute and fun in bed, I try to treat people how I want them to treat me, I'll go see good movies and bands with you, I love life, I'll take a really good picture of you, I play in bands sometimes and I can get you in free, and.... well, this just feels a little bombastic, tooting my own horn like this.... Write to me and find out!

more about who I'm looking for

A tall, skinny, good looking hottie who's intelligent and cool about it, a little silly/goofy, with a twisted sense of humor, preferably some sort of artist, or someone who knows alot of artsy types and can relate to the lifestyle, sweet but not a pushover, confident about his appearance and personality, either happy with his life or actively trying to get so, with a positive outlook (NOT the 'tortured' type), not threatened by a girl with a lot going for her, who likes not just the idea of dating but the actual process, who is into having as much sex as possible once we're both ready to roll (and not before...), and WHO HAS A PHOTO IN HIS PROFILE (I smacked one up there, so it's only fair!).... Is this you?
