31/03/2009

To whom it may concern,

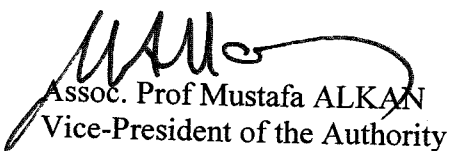

This is an official letter to declare the following facts upon request by "TÜBİTAK- The National Research Institute of Electronics and Cryptology (hereafter UEKAE) as Government Certification Authority.

1. Turkish Information and Communication Technologies Authority (hereafter ICTA) is declared by the Turkish Electronic Signature Law as the regulatory and auditing body for electronic certificate service providers in Turkey.
2. ICTA is thus made responsible of publishing the by-laws that electronic certificate service providers are obliged to conform with. Upon a notification, a nominee is audited by ICTA to become a qualified electronic certificate service provider. ICTA then conducts periodical and non-periodical audits to assure the continuity of conformance with law and by-laws.
3. Hereby we declare that UEKAE is a qualified electronic certificate service provider in Turkey as of 30 rd of June, 2005.
4. We also hereby declare the fact that UEKAE complies with "ETSI TS 101 456 Electronic Signatures and Infrastructures (ESI); Policy requirements for certification authorities issuing qualified certificates" as set by the Article 5a at "Communiqué on Processes and Criteria Regarding Electronic Signature" published by ICTA.

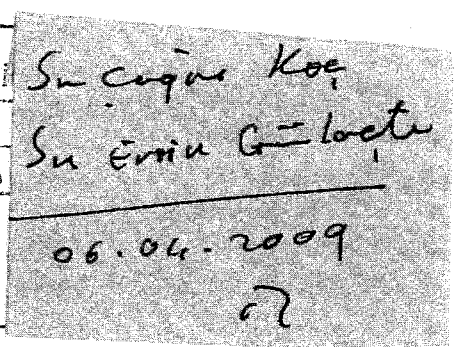

This letter is to notify the public and any third party who may request the above information

Yours sincerely,

31.03/2009

Assoc. Prof Mustafa ALKAN
Vice-President of the Authority
