Comsign Ltd. - Qualified Registered Certificate Authority ("CA")

This letter declares the following facts at the request of Comsign Ltd:

1. Comsign Ltd. is a qualified registered licensed CA operating under charter of the government of the State of Israel ("**Licensed CA**") as per the Israeli Electronic Signature Law 2001 (the "**Law**").
2. In accordance with the Law, Comsign Ltd. is regulated and supervised by the Israeli CA Registrar (Ministry of Justice) who holds, *inter alia*, the power to terminate Comsign's CA operations and revoke its legal charter should Comsign fails to meet operating standards, legislative criteria and other requirements regulating Comsign's operation as a Licensed CA.
3. As part of the regulatory process, Comsign Ltd. is being audited by an auditor with PKI expertise (Mr. Gal Alton) approved by Israeli CA Registrar (RAMOT- a department of the ministry of Justice) Mr. Alton performs his audit as per requirements of the Law and the instructions of the Israeli CA Registrar's.
4. The purpose of Mr. Alton audits, *inter alia*, is to qualify electronic certificate authorities as well as to ensure their ongoing compliance with all requirements set by the Law, including operating standards. The auditor (Mr. Gal Alton) conducted his audit in accordance with generally accepted auditing standards, including those prescribed in Guidelines 06/04 and Guidelines number 2/2010 that were published by the Israeli CA Registrar on July 1, 2004 and October 12, 2010, respectively. The auditor conducted his audit in accordance with standard CWA 14167-1 and CWA 14172-3 that were adopted by the Israeli CA Registrar.
5. As required by the Law, the last annual audit, qualifying Comsign Ltd. as a licensed Qualified CA, was performed by the auditor (Mr. Gal Alton) on February 10, 2014.
6. Mr. Alton's audit report and audit opinion were used by us and incorporated in our audit. In addition, we audited the operations of Comsign Ltd. and the current version of Comsign's Certification Practice Statement (CPS) V.3.1. and according to ETSI TS 101 456 V1.4.3 (2007-05). The audit was conducted in accordance with generally accepted auditing standards.
7. Based on our audit and the results of the audit of Mr. Alton, as explained above, we confirm that Comsign Ltd. operates as a Qualified CA, in all material aspects, in accordance with ETSI TS 101 456.
