

Our ref: 34374171-710.03/82299

25/12/2014

To whom it may concern,

This memorandum declares the following facts and written upon request by “Elektronik Bilgi Güvenliği A.Ş. (Electronic Information Security Corp.)” (hereafter e-Güven).

1. Turkish Information and Communication Technologies Authority (hereafter ICTA) is declared as the regulatory and auditing body for electronic certificate service providers in Turkey by the Turkish Electronic Signature Law.
2. ICTA is thus made responsible of publishing the by-laws that electronic certificate service providers are obliged to conform with. Upon a notification, a nominee is audited by ICTA to become a qualified electronic certificate service provider. ICTA then conducts biannual audits and non-periodical audits to assure the continuity of conformance with law and by-laws.
3. Hereby we declare that e-Güven is a qualified electronic certificate service provider in Turkey as of 24th of June, 2005.
4. The last supervision of e-Güven was held by ICTA between 21st and 25th of October, 2013.
5. We also hereby declare the fact that e-Güven complies with “Turkish Electronic Signature Law”, “by-laws”, “ETSI TS 101 456 Electronic Signatures and Infrastructures (ESI), v1.4.3; Policy requirements for certification authorities issuing qualified certificates”, “ETSI TS 102 023 Electronic Signatures and Infrastructures (ESI), v1.2.1; Policy requirements for time-stamping authorities”, “CWA 14167-1; Security Requirements for Trustworthy Systems Managing Certificates for Electronic Signatures - Part 1: System Security Requirements” and “IETF RFC 3647; Certificate Policy and Certification Practices Framework”.

This letter is written to notify the public and any third party who may request the above information.

Yours sincerely,

25/12/2014

Nihat SÜMER
Vice-President
