--- Comment #3 from gene c <[gjunk@sapience.com](mailto:gjunk@sapience.com)> 2009-10-22 05:51:15 PDT ---  
To be clear - when pressing print - the list of printers is empty except for print to file.

The error console has only GLODA errors (which is odd as I have it turned off).

But no messages in console regarding the missing printers.
