

Replace with Sync Icon

First run page, 1st device

Congratulations, your Firefox data is now being synced!
Be sure to leave Firefox Sync connected so your data will automatically sync everyday.

Thanks for helping us beta test Firefox 3.6.4!

Firefox 3.6.4 (Build 3) was released on May 4th, 2010.
For a complete list of what's new in this update, please view the release notes.

If you notice any problems while you browse with this update, please let us know by [filing a bug](#) or [sending us feedback](#).

Why am I a Beta Tester?

How does this help Firefox?

How do I submit feedback?

Leaving your computer?
Install Firefox Sync on all your devices, enter your account information and voila, you have access to your browsing data.
For detailed instructions on setting up Firefox Sync on your n900, visit the [Firefox Sync on Mobile page](#)

Forgot your password?
Your account information is stored in the **Firefox Password Manager** so you can retrieve it when needed.
Don't forget your **Secret Phrase** ensures your data is protected and under your control at all times.
