Video

Simple, private file sharing

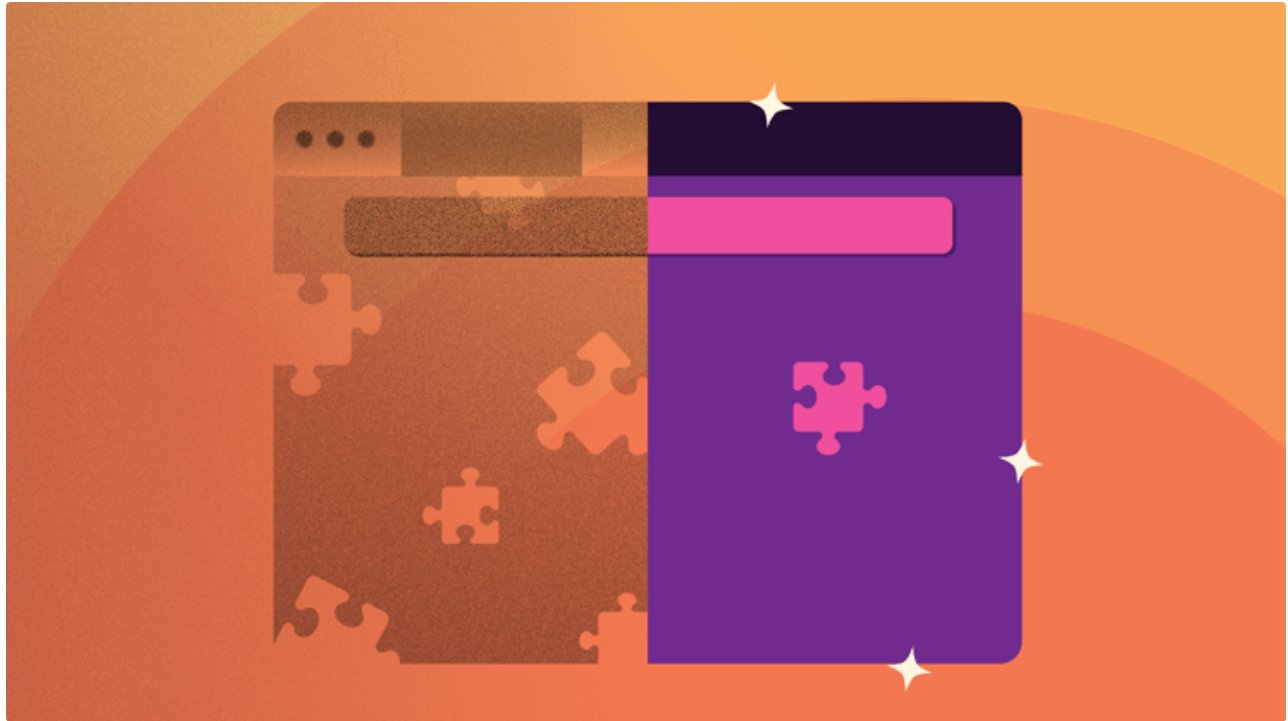

Get free file transfers with end-to-end encryption and a link that automatically expires with Firefox Send. Try it.

Firefox

Get the latest Firefox

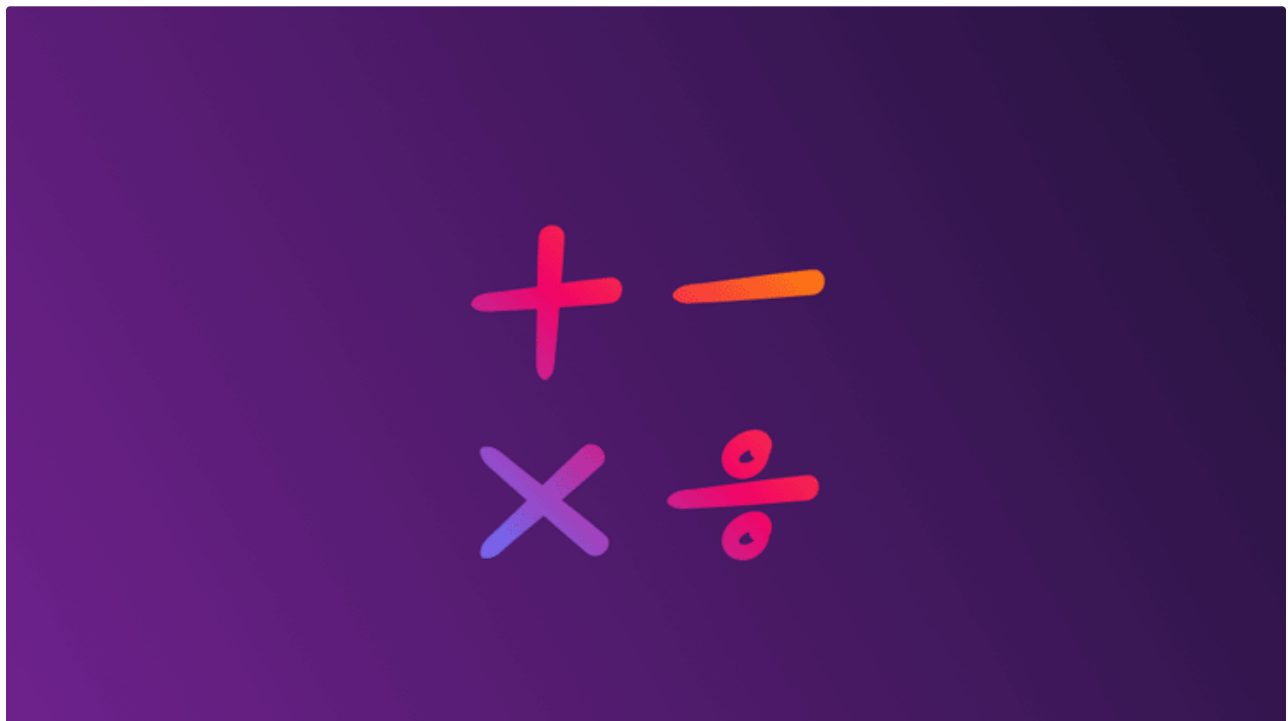

Prevent audio and video from automatically playing, say goodbye to jumpy pages, and find what you're looking for across all your tabs.

Extensions

Add-ons to tidy up and spark joy

We may not be able to help with a cluttered closet, but here are some exceptional extensions to help with digital disorder.

Security

Prep for tax season with Firefox Send

When you need to share files and documents, Firefox Send's end-to-end encryption and password protection helps keep them safe and private.

Extensions

Extra magic for your browser

Pick your favorite unicorn theme, from sparkly to majestic, and add some whimsy to your day.

More power to you.

Mozilla puts people before profit, creating products, technologies and programs that make the internet healthier for everyone.

Podcast

Are you checked out?

When shopping online, your data may be the most valuable thing for sale. Hear how your data now follows you into physical stores, too.

Podcast

Meet the content cleaners

Content moderation is a difficult job. It also raises questions about censorship and free expression online. Listen in.

Love the Web?

Get the Mozilla newsletter and help us keep it open and free.

Your email address

We will only send you Mozilla-related information.

The account that protects you rather than profits off you.
