Hi Stefan,

that's good news!

Feroze Khan is a great guy. He is a friend of Mr. Bikram himself and he owns the studio in Brussel. I have had session with him in Brussels.

He also a judge in the Bikram Yoga competition in The Netherlands.

I look forward to saying Namaste in your studio!
There will be a new studio in Utrecht in Jan 2010.

Can we schedule a meeting to check out the appliation based on BPM and Lean Six Sigma? Can we meet somewhere between your place or mine?

Kind regards,

Sherry

Hi Sherry,

believe it or not (better do!) - there will be Bikram Yoga in Düsseldorf this year! Together with BRU/FRA-Feroze Khan <<http://www.fbyci.de/>> we will have a "first" Bikram workshop to be followed by some more corporate events - and eventually one or more studios. So next time you com to Cologne I hope to say Namaste in "my studio" 😊

How about your yoga activities?

CU, Stefan

Met vriendelijke groet, kind regards, salutations,
mw. ir. S. M. (Sherry) Bibiana
