From Autocade

Autocade is the international car cyclo-pædia. It's a global, not geographically biased, wiki; and, we believe, more carefully edited, for enthusiasts and media who want a quick, accurate reference.

Featured

Austin Maxi Austin's answer to the Renault 16 hatchback, though it began life as a replacement for the ageing Farina saloons from 1961. The Maxi used doors from old BMC 1800, which made it look like a much older car instead of the revolutionary concept it was supposed to be: a highly space-efficient ... *continued at Austin Maxi*

Starting out

You can read more about *Autocade* on the 'About' page.

If you're hunting for a specific model, you can search using the box at the top right of the page. If your car is not present and you wish to add it, you can apply to the sysop for a registered user account by emailing him through this form. (<http://jackyan.com/contact.shtml>)

If you want to see what's here generally, hop over to the 'All Pages' (<http://autocade.net/index.php/Special:Allpages>) link to see what's here. Some marques (<http://autocade.net/index.php/Category:Marques>) and nameplates (<http://autocade.net/index.php/Category:Nameplates>) are listed.

Autocade also welcomes your experiences under the 'Discussion' section for each
