

Dear Mozilla Rep,

Thank you for joining the Mozilla Reps program and volunteering to take on this important role in your part of the world. As a Mozilla Rep, you are not only a passionate Mozillian helping to push the Mozilla project forward, you are the eyes, ears and voice of Mozilla wherever you go, available to anyone interested in learning and participating in the project.

You are helping shape the future of the project.

We hope you'll like this Mozilla Rep swag included in this welcome pack and that you'll proudly wear your official Mozilla Rep polo whenever you can. We've also included some brand new Mozilla stickers which you're encouraged to distribute to all the new Mozilla fans you'll come across.

Again, thank you for your hard work and commitment, and may the Mozilla force be with you :)

The ReMo Team
