about:mozilla

is a weekly round-up of news and contribution opportunities. Here's what's happening this week:

Oct 18
2011

State of Mozilla

Mitchell Baker [announced the release of this year's annual State of Mozilla report](#) and invites you to learn more about the Mozilla Project and to join us in our ongoing efforts to build a better Internet.

Mozilla Festival

Michelle Thorne [invites you to the Mozilla Festival this November in London](#) for some brainstorming, collaborating and hacking with journalists, open web developers and media educators.

Next Generation Web Apps

Mozilla is launching a cool innovation challenge this November to [build the next generation of web applications](#) to explore how the Web will work in the future given an internet with no speed limits. If you would like to get involved stay tuned and leave your feedback in the comments.

Get Involved with Firefox

If you're interested in helping out with testing Firefox on desktop or mobile check out these posts by [Al Billings from the Firefox Team](#) and [Lucas Rocha from Mobile](#).

OpenWebApps Challenge

If you would like get involved with development / testing in our very cool openwebapps project, [we have a challenge](#) if you choose to accept it.

Mozillian Stories

David Boswell has been collecting stories about how contributors have been getting involved with Mozilla and talks about the [importance of Mozillians helping new contributors](#). Please feel free to add your own story.
