## Settings - Feedback

1. Users can submit feedback by typing into the field and hitting send. "Clear" clears the field. Hitting send should trigger a notification that acknowledges that the feedback was sent.
2. Links to support.mozilla.com (deep link to most common articles). Opens in device browser.
3. Opens Privacy Policy and Terms of Service in a new screen.

## Privacy Policy

The screenshot shows a smartphone screen with a black header bar. In the top left corner of the header is a signal strength icon, followed by a battery icon with a lightning bolt, and the time '11:41 AM' in the center. Below the header is a white navigation bar containing a black back arrow icon on the left and the text 'Privacy Policy' in bold black font on the right. A small purple circular badge with the number '1' is positioned at the top right of the navigation bar. The main content area has a light gray background. At the top left of this area is a bold black section header 'Privacy Policy'. Below it is a large amount of placeholder text (Lorem ipsum) in black font. Further down, another section of placeholder text begins with 'Morbi feugiat'. At the bottom left of the content area is a bold black section header 'Terms of Service'.

1. The page for Privacy Policy will have the same standard layout as other Marketplace pages - a header with the title of the page and a back button.
