Cabinet Picks May Set Policy if Congress Fails to Act

By JOHN M. BRODER and MATTHEW
L. WALD 9:24 PM ET

In nominating Gina McCarthy to head the E.P.A. and Ernest J. Moniz for the Energy Department, President Obama showed his intent to use all the tools at his disposal to tackle climate change.

A Stealth Tax Subsidy for Business Faces New Scrutiny

By MARY WILLIAMS WALSH and
LOUISE STORY

Tax-exempt bonds, targeted for elimination in the 1980s, have not only endured, but grown, in what amounts to a large corporate giveaway costing taxpayers hundreds of millions of dollars.

Notice the type in the first article. The second article has 4 normal lines followed by two smudged lines and then back to normal. This is typical. It does not occur in Chrome or IE.

(The apparent size difference in the before and after examples has to do with the way I had to capture the screen.)
