Included with the netbook computer I am to receive, I understand that ICDC College will pre-install Microsoft's Office Suite pursuant to a licensing agreement with Microsoft. In keeping with the terms of the Microsoft agreement, and as a condition of my receipt of the netbook computer, I knowingly acknowledge and agree that if I do not graduate from my course of study at ICDC College, either due to a drop or cancellation, I will uninstall the Microsoft Office Suite pre-installed by ICDC College. I further understand and agree that if the Office Suite needs for whatever reason to be re-installed on the subject netbook computer during the term of my course of study, I will ship the netbook to ICDC College for re-installation as well as be responsible for any related shipping charges to and from the College.

I acknowledge and give my consent to use an electronic signature to bind me to this Agreement. I further acknowledge that this electronic signature attached to this document was created by me as a voluntary and knowing act that represents my intent to be legally bound.
