

# ATTACK OF THE CRIMSON APES

**TEASER:** The patrol is cruising over rocket city in the Danger Car (a custom-built Hawks 5000 rocketcar). Citizens are leaning out of their flying cars and snapping photos and cheering the patrol. This is a public relations cruise more than anything.

**SUDDENLY**—a giant **Crimson Ape**, freshly escaped from the Rocket City Zoo, lands on the trunk of the car. It rips the back bumper off in a dominance display, roars, and hurls the bumper over its head—right into traffic! The bumper smashes into a citizen's car, sending it tumbling out of control, with smoke pouring from the engine. Across the city, the heroes can see other Crimson Apes, leaping from car to car in the traffic lanes, smashing windows, scaring citizens, and generally causing havoc! **This looks like a job for the DANGER PATROL!**
